A New Testament Dictated To Arthur

A Messenger Of God,
By The Universal 'I Am' - Infinite And Eternal -
March/April, 1978

It is to be made abundantly clear to all who read this Statement that I AM the Supreme Authority that dictates through this Instrument, Arthur. I state My will plainly, and it will be for each one to choose whether or not to accept. My Messenger will receive through the Mind, telepathically, that which he himself can accept, believe and/or know to be true. My messengers are now to be found in all nations on Earth, and through each one shall just a fragment of the Divine Truth be revealed, to make an incredible volume when all is put together. Each Messenger shall contribute that which is for each one to reveal, and so no two Messengers will receive from Spirit exactly the same facets of this Universal Truth, and will not reveal them in exactly the same fashion. Arthur, for instance, will not reveal My will through music, art, poetry and song which will be for others to do, but just as It is revealed to him in accordance with his training and ability. My Messengers are not to argue about what is given to them by Spirit to disseminate, for Messengers are not the Originators of the Messages. They are not to be held responsible either for what is said or done *through* them by Spirit, and they must never try to justify, or apologise for, the work done through them. Let us now settle down to this particular work.

Yes, Arthur, you have been thoroughly trained by Spirit to do this immense work for the benefit of all mankind. Fear not the volume of the task ahead, but concentrate solely upon your accuracy of 'hearing' and recording. I shall go slowly so that this Record, this Gospel, shall unfold steadily and without undue strain upon yourself. Worry not for all is well.

I AM indeed the Life force, Intelligence and Divine Love of the Universe, and there is no one or thing outside of or beside Me. I AM the Truth Divine so that, when| I speak, there can be no Falsehood. You, Arthur, are My Messenger, My Scribe, for the purpose of this exercise, and to you is assigned the task of recording My Words, and for their distribution far and wide.

I would not have anyone go in ignorance of My Presence, My Will and My Nature. I alone know all the past, the present and the future and so I alone may state categorically that which is to come and, whatever I state is to come will indeed manifest UNLESS I ALONE CHOOSE TO AMEND, POSTPONE AND/OR CANCEL MY PRONOUNCEMENTS.

It would seem to the unenlightened that I boast a little, elevate Myself above all others and, perhaps, that I AM the 'Devil' in disguise intent upon misleading people, weaning them away from their churches, beliefs and 'images' of 'God' which they delight in worshipping so enthusiastically through rituals and ceremonies, liturgies and chants. You, Arthur, will be so accused because these unenlightened will not accept at present that it is Me that dictates My will to you, in the Silence of your Mind, to be written out and distributed everywhere possible. Fear not harsh criticism, curse, scepticism, condemnation or threat for, whilst you are about My Business, no one or thing shall interfere with or stop you. Do not be concerned about your grammar, spelling or punctuation but merely in your own fashion that which I give to you. Let the more learned rewrite this Testament into more presentable prose if they feel inclined. To all readers I just request that prejudice he put aside for a while, that you think deeply about what is written and do not allow fanaticism to cloud your judgement to the detriment of reason.

I have now introduced Myself and you, Arthur, to the world and it is My sole intention to make plain and unambiguous the teachings given out long ago by Jesus of Nazareth, THE CHRIST, and which were recorded fairly accurately by the 'Gospellers' of those days, in the same manner as this 'Gospel' is being recorded now.

Testament

I AM the Light, the Life Force of the Universe I repeat, and I shall often repeat this Truth so that all shall know I mean what I say, and it is not intended that people who read what is written here shall hastily forget. I AM the UNIVERSE ITSELF AND ALL THAT IN IT IS. The words 'Light', 'Spirit', 'Life', 'Mind' and 'Will' mean one and the same thing. The Life Force of the Universe is Vital Energy activating every cell and atom of every Form that exists, without exception. I AM a Force that vibrates at the rate of Absolute Purity, and does so with Intelligence and *through* Harmony, or Divine Love.

I AM of Three Attributes, then, Force, Intelligence and Harmony, or Divine Love, AND THERE CAN BE NO OTHER. All Things that exist are OF ME, ARE IN ME, and no one or thing else, hence, all things that exist are OF LIGHT, OR SPIRIT OR MIND. These are mere words trying to define the Eternal and Infinite, and are Far from adequate. I AM Omnipresent, *Nowhere* Absent, and I AM Omniscient, alone knowing all that took place in the past, is happening today and will take place in the Future.

I must not be confined to the Earth Plane by man, but I AM also of the celestial bodies in the galaxies of stars, suns, moons and planets above, some of which are inhabited. Please constantly remember that I AM NOWHERE ABSENT for it is vitally necessary that you realise fully this fact and its implication. If all things without exception ARE OF ME, SPIRIT, IN ME AND ME IN THEM AS THE ACTIVATING LIFE FORCE, then I have 'created' nothing. I cannot 'create' Myself, or any part of Myself, FOR I AM ONE WHOLE, ONE UNIVERSAL LIGHT, FORMLESS, BOUNDLESS, LIMITLESS AND TIMELESS. You cannot circumscribe Infinity or Eternity. I Always was and Always will Be. I, ALONE, AM GOD ALMIGHTY, before which I would have all people 'bow down' in obedience and allegiance, and to no other.

According to My Vision and Will did all things, in form or body, come into focus as tangible and material, to be seen either with the eyes of flesh or the eyes of soul. Man took *form* but in essence IS LIGHT, SPIRIT OR MIND, an integral part of Myself. This goes also for beast, plant and earth, Angel and Cherubim. The *forms*, bodies or coverings, of things will change because they had a beginning, but not the Mind within, the Spirit within which is permanent, Immortal and will exist into eternity not having had a beginning.

Because man is a part of Me, he has the ability to think, reason and imagine, just as I have. Man's Will, though, is limited whereas Mine, the Whole, is unlimited to express whatever I choose. I gave to man, because of his ability to think, reason and imagine, dominion over the animal, vegetable and mineral kingdoms, also the elements of fire, air, earth and water, the lesser expressions of Myself. All forms of Life, then, were first Visions of My Mind and it was My Will alone, together with My Power and Authority which are My Right to wield as I desire, that enabled these forms to manifest in the material.

In the beginning as it were, (there can be no 'beginning' with Myself otherwise there will he an 'end') all things dwelt in Perfect Harmony, Peace and Goodwill flourished. Man, beast, plant and earth 'fell away' from this First Estate to this mental state of Imperfection, and now man must make his way back to the First Estate. It is man's Destiny that he shall perfect himself of his own free will and accord, so that he may enter again into this Mental State of Perfection.

Man's 'First Estate' was one of Light, Truth, Perfect Harmony, Goodwill and Contentment, without Fear but wilfully, disobediently, obstinately did man choose to go forth and be independent of Me. If I had interfered, stopped him, as I have the Power and Authority to do, man would have forever been in a state of doubt, contempt for Me, perhaps, and insatiable

curiosity unfulfilled. I let him go his wayward way but put a limit upon how ‘far’ he may go so that he would not be ‘lost’ for all time, or destroy himself. (I would have all people study well again that Parable of the Prodigal Son).

As man drew ever further away from his First Estate of Tranquillity and Serenity, which he, obviously, did not appreciate fully, his Will became ever more sluggish began to vibrate at an ever decreasing rate. In order, then, that he may remain active upon succeeding slower and lower rates of Vibrational ‘Planes’ than his intrinsic self, (he is Mind, remember, in essence, vibrating at the rate of Absolute Purity), it was imperative that he ‘don garments’, ‘coverings’ or ‘forms’ to protect his Real Self from the lower rates of vibration. Thus, the ‘form’ of man came into being and, the slower the rate of Vibration became, the heavier, denser and more gross became the ‘form’. Eventually man reached this Earth Plane condition, the lowest and slowest of all Planes of Vibration. Here it was necessary for man to don a ‘garment’ of flesh, which is unstable to say the least. The Earth Plane, then, is the furthest point away from man’s First Estate, is man’s Last Estate as it were. The Earth Plane is still a Plane of Light, of course, being an integral part of the Universe, but of a very low character. Man did not fall from grace alone but with him ‘fell’ the beast and plant. The Angel and Cherubim did not ‘fall’ from My Grace.

The Plane of Earth is a disgraceful, shameful residing place for My Expressions, yet I still will not interfere with the individual and one’s experiences. The length of Rope allowed to man has reached its limits here in the material form, AND I AM STILL WITH MAN, NEVER FORGET. Man must always be active because I AM there within and, because he can go no further away from his First Estate and he cannot stand still, he has no alternative but to return ‘Home’, to his First Estate of Glory and Wonder and Truth.

By his very presence has man defiled this Earth planet, to make it an ever more unfit place for man, beast and plant to find rest, peace and contentment. Man seems to revel in this unhealthy, debased state, is reluctant to rise up out of it of his own free will, and is sinking ever deeper into the morass of hopelessness and helplessness. Here on Earth is man to be seen at his very worst character-wise, AND l AM NOT PROUD OF, OR HAPPY WITH, MAN WHO IS AN EXPRESSION OF MY WILL.

On man’s outward journey, so carelessly and irresponsibly taken, he created pitfalls and put obstacles in his path through sheer thoughtlessness. On his return journey man will be obliged to fill in all these holes, and remove all the obstacles as it were, and they represent ERRORS OF COMMISSION AND OMISSION. Unless such are removed the conscience will never find rest from guilt. No one else may fill in these pitfalls, or remove these obstacles from one’s path, but must be done by oneself alone. Let this statement be made so clear that it is thoroughly understood. Man has disgraced himself by his wrong use of Free Will, and so it is Right and Just that he makes suitable reparation for his errors committed, for which there can be no valid excuse whatever.

When man has learned well the lessons of the Earth Plane he will cease to reincarnate, and will then have the lessons of the Soul Planes to learn that he may continue his Upward Climb to the Goal of Life. Upon the Planes of Higher Vibration than this Earth Plane, there in no corruption, disease, mutilation, deformity, physical pain, famine or desperate striving to live as on Earth. Fear of ‘Death’ also is dispelled from understanding minds. I AM Mind, the ONE and Only, hence, the Mind of man is OF MY MIND, the Divine and Perfect.

Because of man’s obstinacy, disobedience, wilfulness, pride, arrogance and conceit, he has lowered himself to dismal depths of degradation, permitting Ignorance of the Divine Truth to

gain an ever surer foothold upon his mind. With Ignorance firmly established, FEAR generated space and man truly felt lost, lonely and unloved. Is it possible For man to remain eternally in this ‘lost’ state of mind? No, certainly not, because I AM there as Conscience and Law of Cause and Effect. As this Law I shall reward and penalise as I Will, and it was made abundantly clear over the past centuries that one must reap what one has sown. Having free will man may sow whatever calibre of Thought Seeds he chooses and the resultant Crop must, obviously, be like the Seed. Man has always had choice, hence, must consider himself solely responsible For whatever comes to him, good, bad or indifferent, as consequence of the Law. Man has been given opportunity after opportunity to mend his ways, and I have sent Messenger after Messenger, Teacher after Teacher, to make plain My will For all to do.

Some of these Messengers and Teachers of the past were Masters because they had purified themselves, and gained much Knowledge through experience, obedience to My will and allegiance to Me and My Cause and, thus, qualified for that High Estate of Mastership. Jesus of Nazareth was one such, the greatest of all the Masters to manifest on Earth, and he taught by Word and Demonstration. Much of what he gave out he received from Me under Inspirational conditions but much, also, emanated from himself. His personal experiences gave to him knowledge which he passed on to the best of his ability, but which was not really appreciated by anyone of his time, was rejected, humiliated by some and totally ignored by others. But it was Myself that gave out the predictions Jesus voiced, For only I may know the Future.

Never once did this Master of Spirituality request anyone to fall down and worship him as ‘Almighty God’, yet sadly does man do so even today, thus losing much of the true meaning of that incredible ministry conducted under My Guidance, Control and Authority. Jesus ‘worshipped’ Me alone, Goodness, Helpfulness, Charity, Honesty, Truthfulness and Humility. I AM GOODNESS ITSELF.

It is My Will that all people of sound intellect, and are out of the primitive stage of evolution on Earth take Me to ‘heart’ and mind, expressing Me in thought, word and deed always. No Master, Messenger or Gospeller, or even Messiah, must be ‘worshipped’ before Me. Understand this so that Goodness alone may predominate in your Life at the expense of Sadness. Cleanse your Mind of all that defiles, all that is ANTI-GOOD, and there will emerge a Mind so Brilliant that It will be blinding in Its Intensity and Purity. Masters teach and it is For pupils to listen and learn.

If a Master should teach only in a theoretical manner, and does not practise what he preaches, then there could be some doubt as to the veracity of the teachings. Jesus, the Master/Teacher, served Me by performing My Will to perfection. He taught by Word and then demonstrated in practice what he declared could be done by one and all, if the same effort is made and the same control exerted over emotions and appetites.

My Will For all to do will differ from person to person because no two individuals are on exactly the same level of understanding but, as a general rule or guide, My Will is for each one to DO GOOD AND TRY TO BE GOOD TO THE BEST OF EACH ONE’S ABILITY. I shall hold no brief for those who do not even try to better themselves character-wise, who are reluctant to change their Wrong Attitudes, or to continue in their reckless, cruel, inconsiderate and irresponsible way towards their ‘neighbour’. I would that all adjust their ideas to conform to the teachings of the Masters of ancient times, hold to Principles of Goodness and Helpfulness, remaining humble all the while and, in this way, begin to enjoy living as never before.

The Teachers of times gone by taught obedience and allegiance to Myself, Universal Spirit of Light, over and above all other considerations, even Family and nation, so that each one may rise above this Plane of Sordidness, Corruption, Disease, Iniquity, Vice, Crime, Immorality and exploitation of the weaker for personal profit. Appreciate Me as Divine Goodness that I may manifest Myself through you in Thought, Word and Deed. If you seek to help rather than to harm deliberately, try hard to control your emotions and appetites, I shall gladly respond and extend to you the Helping Hand of Comfort, Guidance, Provision and Protection. I make this stipulation, though, very clearly indeed – nothing for nothing, and so do not look for or expect free handouts of Blessings, for there will be none. Blessings must be earned the hard way, through personal effort of a physical and/or mental nature. How easy it would be if one could live carelessly, irresponsibly to satisfy the senses of the body or selfish ambitions, besmirch the character in other ways, and then another could come along, wave a wand and make that one pure, clean and without a stain on the character! But, in My Universe, things do not happen like that, otherwise I, the Law of Cause and Effect, would be by-passed, and that would never do!

If it is true that one must reap what one sows, then how can anyone expect another to come and do the reaping for one, take upon oneself the penalties accrued to another? Vet, it was given as demonstration only, two thousand years ago that, if I so will, I may relax this inexorably operating Law, which is Myself. Examples were given long ago, were they not, and even today, of instantaneous healings of a physical nature by the word expressed in Faith in Me, and also through laying on of the hands to make contact so that I, as Healing Power, may flow to effect My Will? But those recorded as having been healed were actually given another chance to live a life free of the causes that brought about the sorry results previously. My way is the Right Way for all to travel, and I would all people treat their ‘neighbour’ with the utmost respect in future, not making any exceptions to ‘neighbour’ on any grounds whatever. ‘Neighbour’ must be interpreted as every other person and thing that exists besides oneself. I AM OMNIPRESENT NOWHERE ABSENT. I AM all people and things so that as one treats another one treats Me. All things are bound together by this Common Bond called Spirit, Light, Mind and, thus, what one does to another one does to oneself.

Judge not another because no one upon this Plane of Earth is fit, in all honesty, to cast a stone of censure at another. Can Imperfection judge honestly and fairly Imperfection? Is one fault in one greater or lesser than a fault in another? No it is not, for a fault is a fault in My Book, and can never be otherwise. Man is upon this Planet Earth because he deserves to be here, but there is no necessity for him to return again and again as most individuals do. Learn the lessons of Control of emotions and appetites, match the calibre of the thoughts that you freely choose to entertain and express that they be Good, Helpful, Honest, Truthful, Healthy, and Uplifting; seek to eliminate from character known faults and weaknesses therein – in this may earn the Right to remain upon the Planes of Soul where there is Peace and Harmony, Congenial Companionship and working conditions. Those who qualify to remain on these Planes of Higher Vibration, will have further lessons to learn in order to climb further up that Spiritual Ladder to the fulfilment of Destiny.

There can be no end to learning because I AM constantly expanding as Divine Truth. Whilst on Earth man is given opportunity to face temptations varied and manifold, both of the mental and physical, to overcome and in this may strengthen character along the Right Lines. Each one is given chance to develop Intellect to a higher degree in order to serve the Race and, in this way, earn My Respect. When you please Me you are mightily Blessed with Goodness, for I AM Goodness Itself. When you live to serve Me with enthusiasm and with the purest of motives, I may choose you to perform a task which will be for you alone to perform. But you must offer yourself for choice of your own free will and accord and, once chosen, it will be to

your advantage that you accept gladly whatever type of work I choose to assign. There should be no turning back once you, of your own free will, have accepted the task given to you to do. If you do turn back know that, although no one has the right to censure you, Last of all Myself, another opportunity to serve My will may not come your way again for aeons of time.

Let me assure all people that the greatest vocation in all the Universe is to do My will as revealed to one to do. In the doing of My will you are always asked to remain humble by acknowledging Me alone as the Power, the wisdom, the Love and Authority inspiring you, or commanding you and that, therefore, no credit for what you say or do IN MY NAME AND UNDER MY CONTROL, must accrue to yourself. Always have it in mind that without Me you simply cannot exist for a second of time. I AM THE LIFE OF THE UNIVERSE. Serve Me, then, Almighty God of Light, Spirit or Mind, and Peace, Goodwill, Love and Harmony will be with you always. Serve yourself first and last had you shall know just how limited you are in your progress towards Higher Levels of Spiritual attainment.

Throughout all of Life you shall have free will, limited though it may be, to do as you think fit, for I would have no one come to Me under duress, threat of harm in any form, least of all the threat of being hurled into the 'Fiery Pits of Hell'. Come willingly into My Sanctuary of Divine Love and rest for a while before stepping out once more, under My Guidance, Control and Authoritative Power.

Through various sources have I made plain my Rules and Laws for Good behaviour one towards another, for Healthy, Decent, Honest and Moral living in an active and constructive manner, and some of these Principles were given through Moses and, later, through Jesus, the Christ. Moses was chosen for a specific task to perform on My Behalf, and his works have been well recorded and broadcast. The Principles given through him then still hold good for today, of course, and were made plainer still by explanation and demonstration through Jesus, a Master of Great Spiritual Attainment, well fitted for the task assigned to him. Through Jesus were given injunctions for one and all to appreciate, and put into practise in daily living, so that all may rise up to his level of Spirituality.

Jesus accepted no credit for what he gave out, deeming Me alone as worthy of all credit and, in this way, demonstrated humility for all others to emulate. His Way was glorious, full of Glad Enthusiasm to serve Me loyally by treating his 'neighbour' with 'respect' and Compassion, doing My will as all may do who hear My Voice command. Jesus was a simple man, lived simply and worried not about his bodily welfare so much as doing all he could, under any circumstances, to instruct the unenlightened, comfort the bereaved and sick, feed the hungry and set an Example that so far has not been equalled, let alone surpassed. Jesus concerned himself not about traditions, rituals, ceremonies and customs of others, but set a clean, healthy and productive May of Life for even the mast primitive to follow with profit. Jesus was sorely tempted but overcame. Pray sincerely that *you* will never be tempted as he was. Yet, know that if you are faced with sore trials and temptations it is because you are found worthy by Me to face them. Whether or not you pass these tests is up to you, naturally, and because Jesus passed his tests of temptation to serve self rather than My Will, so then can you do likewise. Jesus, it is reported, did not even claim to be 'Good' – do you? There is simply nothing that that Great Master did that you cannot possibly do, and so never feel inadequate but keep on striving to rid yourself of your faults and weaknesses of Character that you may be free to do My will to an ever increasing extent.

You place the limits of achievement upon yourself, and it must be for you alone to remove them. Entertain in your mind thoughts of a beautiful, happy, colourful and harmonious nature when not engaged upon the great task of earning a living, and you will be well on your may to

fulfilling your Destiny fast. It is perfectly true that 'As you think so you are', for you alone may entertain the thoughts that you do and, according to their nature or calibre, so you will be. Of course you are at liberty to entertain thoughts of Badwill, Pessimism, Misery, Self-Pity, Anger, Jealousy and on on, but what will your outward appearance be for the world to see? It surely must be like the nature of your thoughts entertained in the mind so, in this instance, you must feel miserable, depressed, crying sorry for yourself, bitter animosity building up, perhaps, to cause breakdown in health, or to worry yourself sick with frustration and envy. There is no need ever to lower yourself to that level of depression, no matter the circumstances for know that you have the free will to entertain thoughts of the reverse nature to the above and, in this manner, raise yourself mentally above depression onto heights of Joy, Happiness, Contentment, Peace and Harmony to cause the whole world to appear glorious, green with health, most pleasant to behold. You shall never be tested beyond your strength for I know your limits, and it would truly be cruel of Me to do so. I AM not an ogre but I shall not refrain from strengthening My Human Expressions, you, through the tempering 'Fires of Temptation and Experience', so that you may overcome.

Because there is no such thing as cessation to living or existing, there can be no such thing as tragedy, or catastrophe, as final end, or destruction absolute. The material forms may change, must change, but the Spirit within, the Light, the Mind, Myself, exists into Eternity. I AM being made known throughout the length and breadth of the Universe in these days of Great Change everywhere, and in all directions, but man on Earth is most reluctant to accept Me as I AM, and is trying hard to resist the Change. I AM Force, Intelligence and Divine Harmony activating all things that exist and I work through Divine Love, which is why My Manifestations are GOOD, WHOLESOME AND CONSTRUCTIVE.

I know nothing of Destruction, Disease, 'Death', 'Evil', 'Devil' or 'Hell Fires'. I know nothing of Torture, Famine, Plague or of any Elemental Upheaval. All in My Universe operates strictly according to My will, which is the Law of Cause and Effect. Without My Authority or Approval nothing, but nothing, can exist, let alone operate.

Ages come and Ages go yet, I tell you, there is nothing outside of Me and I AM Timeless, Eternal. In man's world, a physical, material sphere of matter, rotating and revolving about axis and sun respectively, there is physical 'Light' and 'dark', day and night, seasons and change in climate. Time exists for man on Earth as a matter of convenience, but in reality there is no such thing as time in Eternity.

Everywhere in My Universe is there activity, no idleness or 'empty space', yet man sometimes feels justified in being idle, doing nothing worthwhile for society, to be a 'drone' expecting the world to owe him a living because he may feel that 'he didn't ask to be born'. To the idle in mind and body will come swift sorrow and bitter regret. Man, it seems, has time to be lazy and/or apathetic, but I AM not for My Will is in operation constantly to bring to fruition the decrees I predict at times and places I choose. 'Time', in this instance, means 'specific period in man's evolution'. I would that man pays more attention to the present NOW than to the future, because the future is in My Hands alone. Do NOW what you feel, or know, you ought to be doing to express Me, Goodness, and watch carefully the calibre of your thoughts, words and deeds.

Accept this maxim – 'Live to serve' – but be very sure that when you serve (your fellow men and creatures) you do so with the purest of motives. Man has shamed himself to this degree that he is forced to don a 'garment' of flesh material that is unhealthy, primitive, unstable and fragile, subject to stress, strain exhaustion, mutilation, deformity, sickness and 'Death'. It is as well that man can only use this dense, gross covering for just a little while, a few short years,

before discarding it. There is nothing spiritually attractive about the human frame but some feel that it is everything in My Sight, and must be pampered to excess. The Earth Plane is a cesspool of corruption, elemental upheavals to bedevil and break down, and a Plane of Life, of the slowest of all rates of Vibration, upon which alone may the worst defects of man's character be expressed in word and deed.

Here on Earth, a Plane of Iniquity and FEAR, one sees man at his bestial worst, because here, as nowhere else, he is able to give vent to his basest appetites to kill and maim, bear active and cruel spite against 'neighbour', manifest his lustful thoughts in word and deed to a most degrading degree and, generally, think, speak and act in a manner far removed from the Humble Way lived by Great Masters of the past and whom man on Earth professes to worship so fanatically. Here on Earth, Jealousy, Selfishness and Greed are seen to raise their ugly heads to steal openly 'neighbour's' goods and character and it is here, in the flesh form, that man panders so shamefully to the senses of his body to excess. Here, man seeks fulfilment of selfish ambitions for wealth and power of a physical nature at the expense of 'neighbour' and here, on Earth, does man revel in the mires of vice, crime, immorality and idolatry despite the warnings of long ago that I do not approve of such activities as not being Honest, Decent, wholesome or Spiritual.

Man cares not one whit about Me, as Divine Love, hot only for the things that he can appreciate with the physical senses. I AM pushed into the background so that the little ego of man may be satisfied and, because this is so, man knows less and less about Truthfulness, Honesty, Decency, Mercy and Forgiveness and his word today as never before, can no longer be trusted, has no honour. His promises are as thin and fragile as the paper they are written on, to be torn up whenever it suits. I AM the Divine Truth, not any truth that may be conjured up in the mind, and I AM rejected that Falsehood, blatant, naked and unashamed may manifest in My Stead. Lies, white or black, are lies deliberately misleading, hence, are corrupt thought seeking to serve some purpose advantageous to self at the expense of others. My Word is no longer heard by man on Earth who prefers to accept ancient writings, and so I do not exist for him as I AM. Man has made Me into some kind of image before which he bows down literally and idolatrously, and then expects Me to respond to his selfish cries for mercy and aid when the going gets tough and dangerous. Man erects his churches, sanctifies them in My Name WITHOUT MY AUTHORITY, demonstrating his lack of need for Me as a LIVING FORCE TO UPLIFT. As has been said, man prefers the book of scripture, history, to 'hearing' My Voice speak to him directly, in case no doubt, that I shall censure him as I did in days gone by and he gives to this book an ability and authority it does not possess. How often does man declare, 'The bible says...' when it cannot speak? How often is it Said by some, 'If you do not believe in the bible..., you will be damned', something like that? Always the 'bible' but not ME, THE LIVING GOD THAT CAN SPEAK AND GIVE ADVICE. Yes, I have been replaced by a book which man idolises, and gives to its cold print meanings which, perhaps, were never intended. As Divine Truth and Goodness and Activity I can only truly be 'worshipped' by one DOING GOOD, ENTERTAINING CONSTRUCTIVE THOUGHTS THAT ARE PURE, HEALTHY AND HARMONIOUS TO SERVE 'NEIGHBOUR' WELL, AND 'SEEING' ME AS LIGHT OF MAJESTY, GLORY, WONDER, TRUTH AND PURITY, AND NOT AS AN IDOL. I AM not to be reduced to any size whatever, for I AM Infinite Light without beginning and, thus, without end.

'Love one another', was given to you as an injunction long ago – well, do that little thing and know that by so doing you 'worship' Me in the only possible way that is pleasing in My Sight. I AM in your 'neighbour' as much as I AM in you – remember that always, please, so that you do not become so prejudiced in favour of some and to the detriment of others. I AM NOWHERE ABSENT.

Is it truly possible to 'Love one another' through Truthfulness, Goodness, Tolerance, Patience, Forgiveness, Helpfulness, Justice and Mercy whilst in the flesh form of limitation? Ask yourself that question and, also, if it is possible for you to live up to High Principles of Divine Goodness, especially in Thought. Ask yourself if you have Free Will to think about anything you wish and, therefore, who, or what, is to stop you thinking along Lines of Goodness. Surely you must know that there is nothing whatever to stop you from *thinking* along such Lines, even though you may be limited in what can be said and done?

Ignorance and/or disbelief that I AM in you as your Mind, is a Factor that may cause you to limit your potential for Doing Good, and is it not true that you fear very much the censure of your fellow men, their criticisms, harsh and hasty judgements, condemnations and also, this 'Devil' entity that man has conjured up to frighten, that causes you to be Untruthful to yourself, 'blind' to My Presence in all things? It is because of this Ignorance, Fear, Disbelief and Apathy that you have Frustrated your Spiritual Progression to the Highest Heights. Oh, how much understanding is still yours to grasp!

Now, let Me assure you that there are many exceptions in your world to that I have been saying, many who DO TRY HARD TO BE GOOD AND TO DO GOOD AND SUCCEED ADMIRABLY IN THEIR EFFORTS. It is to these ones that I extend My Blessings of Strength to continue in their ways, Glorifying Me in their works of Goodness. And let Me assure you also that there are a few, a pitiful few, who are in direct contact with My Voice, the 'still, small Voice within', and it is through these few that I reveal My Word, My Will, to the masses in all nations.

The *Divine Truth* is to be found in each one and not merely in a building, or in an organisation of man's making. My Truth is Eternal and Infinite, can never be seen or Fully appreciated by man whilst inhabiting the Flesh Form, where the brain, a piece of matter is the Instrument of the Mind to express the Mind's Thoughts and desires. This Instrument, brain, is no more important to man on Earth than any other major organ of the body, is subject to stress and strain, exhaustion, damage through excess alcohol intake and drug addiction, worry and so on, and is not an Ideal Instrument. However, the physical body of man is also not the ideal Instrument to express My will to perfection, simply because it, too, is subject to so much limitation, disease, deformity, mutilation, stress, strain, tiredness and 'Death'. It is just as well that man may only occupy this fragile body of his for just so long, and then must discard it when it has served its purpose, or is no longer fit to be a vehicle for the Mind.

Man is born on Earth for various reasons, such as to experience birth, opportunity to redeem debts of a Karmic nature incurred in a previous lifespan on Earth, perhaps, to learn from experience the difference between opposites such as Good and Bad, Right and Wrong, and True and False; to face temptations and adversities in order to develop Character along the Right Lines, and learn about My Law of Cause and Effect and Its operation; merely to be instruments to bring other souls onto this Place of Low Vibration. Man, in the flesh, has the Golden Opportunity of ridding himself, his nature, of all that defiles, and seeing Myself in all things that exist as Light of Goodness, Holy Spirit shining brightly in the Stygian darkness of man's making.

When one can truly discriminate accurately between Right and wrong, True and False and Good and Bad, is it not possible for one to reject the Wrong, False and Bad and only accept the opposites? Experience alone gives KNOWLEDGE, For it is not possible to KNOW anything merely by being told. So, the opportunity to experience is given to man on Earth as nowhere else in My Universe, to learn from such experiences encountered of good, bad or

indifferent nature. Unfortunately, though, man in his arrogance, conceit, ignorance, apathy and lethargy learns very little from experiences, deeming the 'Bad' to be inevitable, or attributable to 'Devil', 'bad luck' or to 'just one of those things'.

I care not for man to argue with Me. I state as is My Right, Privilege and Authority, and leave it to each individual to accept My word for it or reject, but I AM not concerned about reasons for acceptance or rejection. Such are personal to each one, and each one must learn to 'walk' alone. What I declare will be. Do know that an opinion, a *belief* or notion, is one's own and should not be the property of another. How arrogantly, fanatically, complacently, sanctimoniously do I perceive some forcing their personal *beliefs*, or *opinions* upon others as HARD AND FAST FACTS! Some claim their beliefs to be Divine Truths when, in reality, they may well be figments of the imagination, or not quite as one would truly like them to be! A belief, or opinion, IS NOT NECESSARILY FACT, is it? I AM FACT AND NOT BELIEF. Anyone who qualifies a statement with the words, 'I think..' or 'I believe...', is admitting one DOES NOT KNOW, surely? If one does not Know, is not certain, then one must not set oneself up as a Teacher, as so many do IN MY NAME, BUT HAVE SO LITTLE UNDERSTANDING OF MYSELF AND THE DIVINE TRUTH. When one knows one will 'hear' My Voice speak in the Silence of one's Mind.

I AM THOUGHT SUBSTANCE, the Light of the Universe, fully capable of communicating My will to, and through, open Minds that I may choose to impress, and let no man deny this Statement. I talk to man in the flesh form, and also on Planes of Higher Vibration in the Soul form, through the Mind, telepathically, and My Voice sounds like a Thought Flow of words, conveying My Desires and Commands for one to heed earnestly and/or obey without hesitation or question. I AM the Divine Truth, therefore I cannot and will not mislead anyone, yet I have been called 'Devil' indirectly, because the Instruments I use have been so called when about My Business. It is always the Instrument that is seen and never Myself, and disbelieving man seems quite unable to accept the FACT OF MY PRESENCE WITHIN THE MEDIUM I USE, DICTATING MY WILL. Man will go to extreme lengths to PROVE ONE WRONG INSTEAD OF RIGHT, and it is because man does not want the Truth Divine. He is frightened of It and is the reason why he will crucify anyone rather than admit one is operating on My Behalf, under My Control and Authority. The Instrument cannot PROVE I COMMUNE WITHIN.

The individual man has a will of his own, a Fragment of My will or Mind, and he is given freedom to entertain thoughts of any calibre he chooses. Hence it is that the lazy, the apathetic and ignorant allow others to do their thinking for them and, in consequence, sometimes come to grief. The ones who think not seriously about Thought towards Character Development, lose golden opportunities to advance spiritually towards the expression of ever purer and brighter Light, Goodness. The ultimate is not merely to express that Light in Its purest form but also TO BE THAT LIGHT IN AWARENESS, TRULY ONE WITH MYSELF. That is the fulfilment of Destiny for each one and, because it is not possible to achieve this end without consulting Me, taking My Hand to lead, protect, provide and comfort, I give to all chance to seek Me out in My Kingdom, wherein I AM KING AND RULE ABSOLUTELY.

Even whilst one in the flesh body on Earth is surrounded by the Darkness of Ignorance, is faced by sore temptations to ignore Me, yet I AM there as a Light, a Torch, to be held aloft to dispel this same Darkness. 'Darkness' is a state of Mind without 'Light'. Because I AM the Light Itself, and Omnipresent, there can be no Darkness in reality. Only in the Mind of the unenlightened does the appearance of Darkness pertain. Man is ignorant of My Presence within, which does not mean I do not exist or I AM not present, but it is man who will not accept the Truth, the FACT, of My Presence that is man's fateful handicap. Yet, there can be

no excuse for man today to ‘walk‘ blindly for he has reached a stage of intellectual development that should preclude abysmal ignorance of this all-important, most vital, subject of Myself, My Goodness and constant Presence to contact in the Silence of the Mind.

I have been using many words and phrases here that may sound good and knowledgable to the untutored ear, mean nothing to some, and possibly, most confusing to others again. The enlightened alone know better about what I AM talking, hence it is that I must make myself so clear that there will, in future, be no possibility of ambiguity or misinterpretation of My meaning. I ask educated, literate, man to use his reasoning ability to good effect, to make known that which, a little while ago, may have been obscure in people’s mind.

Know that Darkness is absence of Light. ‘Darkness’ is Ignorance if ‘Light’ is Knowledge and Understanding. It is often said that ‘man is blind...’, or that ‘man walks in darkness...’, and it simply means that man is ignorant of the Divine Truth and, consequently, cannot ’see’, or comprehend, where he is going. Man relies strongly on BELIEF to see him through, and also on a Faith that has no Force. Those who are not ‘blind’ comprehend their being, know that they live to express Me, Goodness Absolute, to the best of their ability, and never cease striving to strengthen character by eliminating the faults and weaknesses therein.

Man’s interpretation, or definition, of the words ‘Right’, ‘Wrong’, ‘Good’, ‘Bad’, ‘True’ and ‘False’ differs widely one from another, and from the Divine Definitions. It is to give to man Divine Definitions of these particular opposites as it were, Right and Wrong, Good and Bad, and True and False, that I send Masters/ Teachers to this Earth Planet, and to the lower Etheric, or Soul Planes of Vibration. These Masters gave the plain Truth for man to heed earnestly so that he might discriminate accurately between these ‘opposites’. But the Teachings of these Masters have largely been ignored, which is why there is still a vast population living in a mental state of ‘Darkness’.

Ask yourself a question or two, such as, ‘Why was I born on Earth?’ If you confess that you do not know, then continue asking yourself questions along these lines, ‘Was I born to be anything else than Constructive, Good, Helpful and Loving towards my ‘neighbour’? was I born to lie, cheat, exploit the weaker for personal gain at ‘neighbour’s’ expense, kill, destroy, adulterate that which is pure, indulge in vice, crime and pander to the senses of the body to excess? Was I born to be selfish, greedy, live for myself alone, caring not one whit for those less fortunate than myself, or be jealous of ‘neighbour’ for whatever reason, criticise, ridicule, bully, judge harshly, condemn and mentally execute another? Mas I born to fulfil ambitions to amass great wealth and seek after temporal power for their sakes alone? Was I born to remove from this Earth planet anything that I did not place here myself, or deem unfit for a place in the sun? Was I born to lord it over others, give myself a superiority or inferiority complex, to be prejudiced and/or selective as to whom I shall ‘serve’? Was I truly born to be frightened out of my wits by others, or things, or to frighten others with direful threats for whatever reason? Am I justified in doing anything that is wrong in Principle, or transgress any of the ‘Ten Commandments’? Was I born to be mutilated, deformed in any way, to be subjected to ‘accident’ to cause bodily pain and agony, or to be laid low through terrible sickness?’

There are innumerable questions one should ask one- self, isn’t it so? If, in all honesty, you answer ‘No’ to some, or all of the above questions then surely it must be a duty and a responsibility to put right in yourself that which you acknowledge is wrong?

All upon the Plane of Earth have weaknesses of character, and it is nothing whatever to feel proud about, to accept as inevitable and/or such cannot be eliminated. For what other reason does one exist than to express Me, Goodness Absolute, and become *aware* of OUR UNITY?

Make a list of all your known faults, and also a list of your ‘Good’ points, your strengths as it were. You will come to the conclusion, then, that you are not all *bad* or all *good*, and it will be a worthwhile Cause to embark upon to rectify the wrong, or bad, and strengthen, and add to the right and good. Rejoice in the latter.

Know that because you are OF ME you have free will. This being so you cannot be a ‘sinner’ or a ‘criminal’ in My Eyes, so hold your heads up always, put your shoulders back and give to yourself a Goal to head for, a Goal that is Good, Right and True in *Your Sight*, but be certain that ‘your sight’ is MY SIGHT! So, I give to you now My Definitions of certain words and phrases often used, for your earnest consideration and that, because I AM ALL THAT IS GOOD AND TRUE, what I declare IS NOT DEBATABLE. I AM YOU AND I WILL, THEREFORE, NOT ARGUE WITH MYSELF. Recognise this fact so that you may the more quietly adjust your erstwhile beliefs to conform with My Truths and Principles to your ultimate, if not immediate, benefit.

Definitions

God Almighty

My ‘God’ is all that exists without exception. My ‘God’ is the Divine Truth, Divine Love and Harmony of the Universe. My ‘God’ is Omnipotent, Omniscient and Omnipresent. My ‘God’ is Infinity and Eternity. My ‘God’ is Light, Spirit or Mind. My ‘God’ is Thought Substance. My ‘God’ has many different Names on Earth, but My ‘God’ is the ‘I AM’, the first Cause, the Alpha and Omega. I AM, ALWAYS WAS AND ALWAYS WILL BE. My ‘God’ cannot be defined fully by the finite Mind of man on Earth, and mere words are totally inadequate to give a comprehensive picture of Myself. My ‘God’ is Light, formless, boundless, limitless and timeless. My ‘God’ is Triune in Attribute – Force, Intelligence and Love or Harmony, which is Father, Mother and Son respectively. (You were commanded to ‘Honour your Father and Mother..’) My ‘God’ is NOWHERE ABSENT AND IS THE ACTIVATING ENERGY ENABLING ALL THINGS THAT EXIST TO BE. I AM the One and Only ‘God Almighty’, in and of all things. I AM ALL.

Light

I AM THE LIGHT. My ‘Light’ is the Divine Truth. My ‘Light’ is All Goodness, is ‘God the Mother’, the ‘Holy Breath’. My ‘Light’ is Revelation, Intelligence and Wisdom. My ‘Light’ is that which dispels Darkness of Ignorance. My ‘Light’ is in and of all things that exist as I AM. My ‘Light’ is the Aura surrounding man, beast, plant and earth in the material form. My ‘Light’ is that which gives purpose to Movement, Direction to Living and without which nothing can exist. My ‘Light’ is Understanding and cannot be out of reach of any seeking Mind. My ‘Light’ includes ‘Life Force’ which is ‘God the Father‘, and ‘Divine Love’ which is ‘God the Son’. My ‘Light’ then, is the Triune God of Attributes called ‘Holy Spirit’. My ‘Light’ is Universal Will.

Darkness

My ‘Darkness’ is total Ignorance of ‘Divine Truth. My ‘Darkness’ is the reason why man cannot ‘see’ the Truth. My ‘Darkness’ is the very opposite of My ‘Light’, and should not be with man in these times of advanced education facilities. My ‘Darkness’ is that which is Misunderstanding, Cruelty, Pain, Suffering, Deep Sorrow, Apathy and all else that limits, or frustrates, Spiritual Progression. My ‘Darkness’ may be dispelled quite easily by My ‘Light’, which may be used to show the Way, illumine pitfalls and obstacles in the Path and, generally, make for simpler and smoother travelling.

Life

My ‘Life’ is the Force, the Active Energy of the Universe. My ‘Life’ activates every cell and atom of every single thing that exists in form, or body. My ‘Life’ is Consciousness, not Unconsciousness which is ‘Death’. My ‘Life’ is ‘God the Father’, and is Goodness Itself, without a trace of Sadness. My ‘Life’ includes the ‘Light’, the Intelligence and the Divine Love of the Universe. My ‘Life’ is all that is, for there can be nothing outside of, or beside, Me. ‘Life’, gives you Being as an individual personality, and it is My ‘Life’ that you use automatically and call ‘Power’, demonstrating that you and I are One. Unless I AM in you, and of you, you cannot exist for a second of time as an individual personality. I AM THE LIFE. My ‘Life’ is Energy vibrating at the rate of Absolute Purity, and is Perfection in Action. My ‘Life’, although Omnipotent and Omnipresent, can never be seen. I AM ALL THAT IS – ‘ALMIGHTY GOD, THE FATHER’.

Divine Love

My ‘Love Divine’ is Harmony. My ‘Love’ is ‘THE ONLY BEGOTTEN SON’ of God the Father, Force, and God the Mother, Wisdom and Intelligence. My ‘Love’ rests in the ‘heart’ of things as Compassion, Understanding, Tolerance, Mercy, Forgiveness and Patience. My ‘Love’ is expressed through sacrifice of self for the benefit of others, with the purest of motives. My ‘Love’ cannot be separate from man or things, yet is often suppressed or ignored. My ‘Love Divine’ is Peace, Goodwill, Honesty, Decency and Truth. My ‘Love’ dispels and despises Hypocrisy and Slyness. My ‘Love’ is Humble, Silent, forcing Itself on no one, yet always on hand to aid and/or be expressed in Thought, word and deed. My ‘Love Divine‘ is One with Force and Intelligence, which together comprise the Triune God of Attributes – Father/Mother/Son, a combination that, when expressed IN UNISON, can only manifest that which is Good, Absolute Purity, Perfection of Spirit. My ‘Love’ is fine with the ‘Holy Spirit’. My ‘Love Divine’ ensures no one is ‘lost’ for all time physically or mentally and, eventually will raise all people and things up to the Highest Levels of their different forms. My ‘Love’ answers prayers of the sincere, heals the physical and manta] ailments of the flesh body, IF IT WILLS, and is akin to ‘mother love for little ones’. My ‘Love Divine’ never depresses but always up- lifts.

Divine Truth

I AM THE TRUTH. My ‘Divine Truth’ is absolute sincerity, Honesty and Right. My ‘Truth’ is that which is not Falsehood or Hypocrisy. My ‘Truth’ is Integrity and Joy. My ‘Truth’ is a Power that, when used together with Divine Love and Intelligence, manifests Reality, the Everlasting and Infinite. My ‘Truth Divine’ is never cruel, calculating to humiliate, harm or destroy, and is never selfish or greedy. My ‘Truth’ is fact, certainty, Knowledge and Experience. Without Experience one cannot Know My ‘Truth’. Be knowledgable, then, in all your Mays, and you will express and honour Me. My ‘Truth’ is synonymous with Reality, Infinity and Eternity.

The Way

I AM THE WAY. My ‘Way’ is the Spiritual Path all are asked to tread. My ‘Way’ is clear-cut, cannot be mistaken, needs no signpost because it is not a physical way made by man. My ‘Way’ is Truthfulness, Humility, Helpfulness, Sacrificing for the sake of others, willing enthusiasm to be of use especially towards the less fortunate than oneself. My ‘Way’ is to ‘live to serve’ with Divine Love in the ‘heart’, and with the purest of motives. My ‘Way’ is not for the arrogant, bigoted, proud, conceited, selfishly ambitious for temporal power and material wealth, or for the idolator who worships fanatically, and blindly, idols of wood, stone or metal erected to symbolise Myself. My ‘Way’ is to be ‘walked‘ without Fanfare of surrounding trumpets, but is For those who have Peace and Goodwill in the ‘heart’ to aid the stricken and not to censure, criticise, judge or condemn. My ‘Way’ is not For the Spiritually blind, the ignorant, lethargic or apathetic, but is for the Humble wise to travel. My ‘Way’ leads directly to the ‘Goal of Life‘, the Fulfilment of Destiny. My ‘Way’ is not For the timid or for the grasping greedy, the materialistic ones who choose to put the physical First and the Spiritual second. My ‘Way’ has no sign up, ‘Trespassers will be prosecuted’ because My ‘Way’ is wide open for all to walk who are ready and able. My ‘Way’ is The Way of the Patient, Tolerant, Sincere and for those who are able to Control their Emotions and Appetites. My ‘Way’ is not for the Religious who have a book as a ‘God’ and shrink from seeking Me out in the Silence of the Mind. My ‘Way’ is For the Just, Merciful, Forgiving, Sincerely Praying and Contented to walk.

Kingdom of Heaven

My ‘Kingdom’ is WITHIN ALL PEOPLE AS MIND. The Mind of man, which enables him to think, reason and imagine, is MY ‘LIGHT’, ‘FORCE’, ‘INTELLIGENCE’, ‘LOVE DIVINE’ AND ‘TRUTH’ combined. My ‘Kingdom’ is Nowhere Absent, is the whole Universe, hence all people and things ARE IN AND OF MY ‘KINGDOM’. Most people are blind to this Fact. My ‘Kingdom’ is not some geographical spot in the ‘heavens’ above somewhere, BUT IS EVERYWHERE WITHOUT EXCEPTION, OR WHERE I AM. One ‘ENTERS’ MY KINGDOM IN THE SILENCE OF ONE’S MIND, when one is relaxed in body and Mind (state of sincere meditation). My ‘Kingdom’ is of Good Vibrations, AND IS WHERE I ABIDE. I AM LOVE DIVINE, HENCE MY ‘LOVE’ IS KING. In the Silence of one’s Mind I become one to speak, not being dumb, and so the strong advice is for one to ‘enter in- to My Kingdom’ in utter Sincerity, that I may commune through the ‘still small Voice’, which will be like a Thought Flow of words to the one who listens intently. Seek Me out, then, and know that I may talk in all tongues hence, no one is barred from ‘hearing’ My Voice talk within. ‘Be still and know I AM GOD ALMIGHTY NOW AND FOR ALWAYS’.

The Still Small Voice

My Voice may be heard to speak in one’s Mind, telepathically, but one must be sincere in one’s seeking, and do so in the Silence. My ‘Voice’ does not shout aloud but is ‘still’, silent, quiet and IS AUTHORITY FOR IT IS ME. My ‘Voice’ has been heard to speak by all people yet unrecognised by the vast majority. My ‘Voice’ speaks through the Conscience, Subconscious and Super- Conscious. My ‘Voice’ is a sharp reminder of something left undone that should have been done. My ‘Voice’ also speaks through Vision and Imagination. My ‘Voice’ is no sounding cymbal but may be heard throughout all Nature as the Whispering Wind, the murmuring of placidly Flowing waters, contented influences emanating from happy joyful children at play and the quiet lowing of satisfied beasts. My ‘Voice’ is never ‘still’ For I AM ETERNALLY CONSCIOUS. Seek ME out in My ‘Kingdom’, your own Mind, in the Silence that I may give to you command for you to obey, advice or instruction for you to heed earnestly and, thus, be guided by ME DIRECTLY. I AM the past, present and future, hence, fully competent to lead with Certainty and, to those who are willing, I give freely Blessings of Protection and Provision, and will never hesitate to reassure at all times that all is well despite, perhaps, of appearances. My ‘Voice’ is crying out to be heard by man today. Man’s prejudice, disbelief, his fear and ignorance prevents him from taking advantage of My Presence as the ‘still, small Voice within’, the ‘spirit within’ that Jesus of Nazareth talked about and communed with.

Satan, Devil

My ‘Satan’ is Temptation, sore and trying. My ‘Satan’ is ridicule, harsh and hasty Judgement, Condemnation. ONE who is guilty of any of the above is, in My Book, a ‘Satan’. My ‘Satan’ is Corruption, Immorality, Deliberate Destruction for Wrong Purposes, Crime, Vice, Lawlessness, Breed, Selfishness and anyone who deals in any of the above is, in My Book, a ‘Satan’. My ‘Satan or Devil’ IS NOT AN ENTITY ABIDING IN SOME GEOGRAPHICAL SPOT ANYWHERE, CALLED ‘Hell’. My ‘Satan’ is a Liar, an Enticer from the Way of Truth Divine, one who is deliberately Dishonest, Corrupt, Insincere and Hypocritical. My ‘Devil’ is one who forces personal Will upon another for whatever reason. My ‘Devil’ exploits others ruthlessly for personal profit. My ‘Satan’ is pitiless, merciless, unforgiving, deals in torture, mutilating others and believes in violence to attain one’s ends. My ‘Satan’ is one who tempts another for illicit purposes. My ‘Devil or Satan’ is Sadness and dwells everywhere, in and of all things just as I AM. I reject My ‘Satan’ from My Mind so that it does not exist as Horror, Anti-Good, and you may do likewise, for your Mind and My Mind are One. My ‘Satan’ is an influence that may be ruthlessly suppressed, if not rejected outright, so-that its tempting voice

may not be heard, or its presence felt to mislead. My 'Satan' is an Earthbound Soul who obsesses those who are still in the flesh form, for WRONG PURPOSES. Earth- bound Souls need help not censure, for they are people ignorant of what they are about, and need the assistance of knowledgable ones in the flesh. There is no such thing as 'Evil' in My 'Kingdom', but there is WRONG THINKING, WHICH LEADS TO WRONG DOING. Rectify the Thinking and, then, Wrong Doing is no more. Know My 'Satan' as something you have free will to express – just as you have free will to entertain and express Me, Goodness. My 'Devil' is 'Badness' and My 'God' is Goodness – I ALONE AM GOOD, know that within all people on Earth dwells My 'Satan' and Myself – both Bad and Good.

Hell Fires

My 'Hell' is physical pain and/or mental agony. My 'Hell' is a vice den, a criminal organisation and a 'house of immorality'. My 'Hell' is a state of Mind that is unhappy, insincere, worried and guilty. My 'Hell' is For those who are fear-filled, are idolators when they should know better, hypocrites and those who assume authority and power that are not theirs to assume. My 'Hell' is within, just as is My 'Kingdom', and may be allowed to influence, be suppressed or ignored as unwanted. My 'Hell' is the opposite of My 'Heaven' which is a state of Mind at peace, free of guilt, serene and tranquil. My 'Hell' IS NOT A FIERY PIT OF BURNING SULPHUR AND BRIMSTONE, INTO WHICH SOME DECLARE I HURL UNREPENTANT SINNERS TO BE TORTURED FOR ALL TIME. My 'Hell' is remorse when one realises the errors one committed freely against Decency, and Goodness and one's 'neighbour' whilst on Earth. My 'Hell' is a state of Mind in turmoil of guilt and shame, and also to be witnessed in the panic-stricken, or disease-ridden. My 'Hell', then, is For warmongers, those who create engines of destruction, who deliberately set out to kill or maim, encourage or condone violence For whatever reason, and for those WHO TAKE MY NAME IN VAIN. Let Me repeat, one can only enter into this mental state of 'Hell' when realisation dawns of errors committed, and not before. Guilty Conscience is 'Hell' and may catch up with anyone whilst still in the Flesh Form on Earth, or the Etheric, Soul, form on the Planes of Higher Vibration later. Be warned you unenlightened, superstitious, misguided, disbelieving, gullible and ignorant, that you may recognise your faults, or errors, NOW so that you may make amends both physically and mentally, through resolution not to repeat the errors of commission to give excuse for the 'Fires of Hell' to exact their terrible tribute.

Good

My 'Good' is that which is beneficial in every sense of the word. I AM GOODNESS ITSELF. I ALONE AM GOOD. My 'Good' is Helpfulness, Usefulness, the Real, True, Permanent, Upright, Honest, Decent, Sincere and Humble. My 'Good' can never be My 'Bad'. My 'Good' is Spirituality Eternal and Infinite. My 'Good' is self- sacrifice for the sake of others, or at My Command, BUT ALWAYS WITH PURE MOTIVE. My 'Good' sees no ugliness or dirt, is Morality, High Principles, Health, Joy, Happiness, Contentment. My 'Good' is Moderation in all things, is never Prejudiced or Biased except against my 'Bad'. I AM GOOD AND I ABIDE IN YOU. IN ESSENCE YOU ARE GOOD. Express Me, then, in your Thoughts, Words and Deeds that your 'Light' may shine for all to see, and, in this way, honour and worship Me.

Bad

My 'Bad' is the opposite of my 'Good'. My 'Bad' is that which defiles, that which is contemptuous, Deceitful, Hypocritical and deals in subterfuge to delude for WRONG PURPOSES. My 'Bad' leads followers onto paths of Pain, Agony and Remorse. My 'Bad' frustrates Spiritual Progression. My 'Bad' is that which is greedy, selfish, corrupts, depresses and transgresses Principles of Goodness. My 'Bad' is Wrong Thinking which leads to wrong

Speaking and Wrong Doing. My ‘Bad’ is misery, worry, feeling of helplessness and hopelessness, lethargy, apathy, idolatry AND IGNORANCE. My ‘Bad’ is war, Bitter Strife, Desolation, Jealousy, Anger, Uncontrolled Emotions and Appetites, Obstinacy and Selfish Ambition. My ‘Bad’ is seeking after the things material alone, ignoring the things Spiritual. My ‘Bad’ should never enter a Mind set on DOING MY ‘GOOD’.

False

My ‘False’ is that which is not My ‘True’. My ‘False’ is that which deludes, is Delusion and Illusion, a Mirage, a Mask to conceal the True, is Unreal, Temporary and Finite. My ‘False’ is never to be worshipped, but only My ‘True’. My ‘False’ is superstition and Ritual. My ‘False’ is the Form, or Body, of man and things in the material and etheric. My ‘False’ is Limitation and Time. My ‘False’ is NOT ME FOR I AM THE TRUE. My ‘False’ is Idolatry and the ‘worship’ of material things, bowing down before graven images or effigies, and love of sensual pleasures immoderately. My ‘False’ is My ‘Wrong’.

Retribution

My ‘Retribution’ is Mercy and Divine Love in Action. My ‘Retribution’ is opportunity granted to make amends for errors committed and to salve guilty conscience. My ‘Retribution’ is answer to sincere prayer of Remorse. My ‘Retribution’ takes form of Reincarnation. My ‘Retribution‘ also takes form of a ‘Big Stick of Correction wielded judiciously to inculcate Discipline’. My ‘Retribution’ takes form of Rebuke, or Penalty, of a nature to teach a lesson, and in accordance with the Law of Cause and Effect. My ‘Retribution’ is never Destructive, Cruel, Sadistic or Vindictive. My ‘Retribution’ is For those in whom I AM interested. Woe to those apathetic ones in whom I have no interest! My ‘Retribution’ will not take effect on Minds closed to Right Thinking, or are hopelessly Prejudiced against Myself as ‘Spirit’, ‘Light’ or ‘Will’ WITHOUT FORM. I AM FORMLESS BEING INFINITE AND ETERNAL. Through My ‘Retribution’ comes ‘rebirth’ to give further opportunity to ‘clean the slate’ of that which defiled it, and is abhorrent in My Sight, Goodness Absolute. My ‘Retribution’ is guilty conscience causing mental agony of remorse, and may be freed of guilt by making suitable amends through Glad Service towards ‘Neighbour’, with a pure Motive. Lose yourselves in service of this nature and there will be no cause for my ‘Retribution’ to bite. REINCARNATION IS A FACT.

Law of Cause and Effect

I AM THIS LAW. My ‘Law’ is the Law of Karma. A Facet of My ‘Law’ states, ‘As you sow so shall you reap’, another, ‘As you judge so you shall be judged’, again, ‘As you treat others so you shall be treated’ and once again, ‘You live by the sword, you die by the sword’. My ‘Law’ operates inexorably, not taking into account excuse on grounds of Ignorance or Provocation. My ‘Law’ is Perfect Justice and, thus, is immutable, cannot be changed, and It is also Eternal, hence, cannot be avoided. I AM *of* all people and I AM the Universal ‘Law’ hence, this ‘Law’ is of ALL PEOPLE. My ‘Law’ alone will bring to people Blessing or Penalty, according to the calibre of Thought Seeds sown. Man has Free will to entertain any calibre of Thought he wishes, and express same as Thought, word or deed, thus, is solely responsible For whatever comes to him in consequence. The ‘Crop’ which each one inevitably reaps, is like the ‘Seed’, so the Wise will train themselves to entertain Thoughts that are Good in My Sight, and not Bad. I alone may adjust MY ‘Law’ to condone an offence, and it is not for anyone else to assume this Authority. It is Mine alone. Yet, WITH MY PERMISSION, DIRECTLY GIVEN, may one forgive the errors of another, but not otherwise. My ‘Law’ brings one Blessings pressed down and running over, as it is said, if one freely chooses to express My Will, My ‘Goodwill’, and not My ‘Badwill’, and will bring Penalties, or Rebukes, most severe and agonising perhaps, to those who Freely choose to express My ‘Badwill’

instead of My ‘Goodwill’. Pay strict heed, then, to My ‘Law’ when you entertain thoughts or visions in Future, that the Law will Bless you. Know that there can be no excuse For transgression of any of My Principles, or Injunctions, of Goodwill nature. My ‘Law’ is expressed in the declaration of long ago, ‘Vengeance is Mine, I shall repay’, One is not excused Penalty of My ‘Law’ for wrong Doing even if man has exacted a penalty according to his law.

Sin

My ‘Sin’ is but One Only – IGNORANCE, There is no other but a particle of ‘Sin’ is with each one to a greater or lesser degree. My ‘Sin’ can be removed from one through acquisition of Knowledge. My ‘Sin’ is never unforgivable. My ‘Sin’ does not call for cruel, merciless thrusting into ‘Hell Fires’ as penalty for transgression of Principles For Good Behaviour. My ‘Sin’ is expressed by the unenlightened, and is not man’s conception of error committed or transgression of ‘Commandments’. Man, having Free will, has every right to transgress if he so chooses, (who may prevent him from Thinking any calibre of Thought that he wishes?), but My ‘Law’ is there to take ADEQUATE care of each one’s own Free will choice of Thought, Word and Deed. Just so long as man remains in Ignorance of Myself, My Nature and Character, and My relationship to himself and all other things that exist, he shall be a ‘Sinner’ in My Book. I say, replace Ignorance, the only ‘Sin’ in the Universe, with Knowledge which, when put into practice in daily living, can only result in Joy, Happiness, Contentment, Freedom From Fear, Peace and Harmony of Mind – wherein, then, is place for ‘Sin’? In time all people shall know My ‘Divine Truth’ be Knowledgable, and My ‘Sin’ will be no more. Judge not another to be a ’sinner’ for, remember, I AM THERE. I AM NOWHERE ABSENT, and it is not for man to judge, condemn and execute another, BUT FOR ME ALONE TO JUDGE, BLESS, PENALISE, FORGIVE OR REWARD. Jesus lived and ‘died’ solely to remove My ‘Sin’, Abysmal Ignorance, from the world and succeeded brilliantly by giving the world *Knowledge*. If you have in Mind an entity called ‘Devil’ just remember that I AM THERE.

Death

My ‘Death’ is a closed mind to My ‘Truth and Knowledge’. My ‘Death’ knows not Life of Joy and Happiness but knows Sorrow, Grief and end to living. My ‘Death’ is Ignorance of Resurrection for all people and things. (“Let the ‘dead’ (living dead) bury the ‘dead’ but you Follow Me...!”). My ‘Life Everlasting, Eternal’ precludes the very idea of cessation to living. My ‘Death’ is transition from the Earth Plane of Low Vibration to a Soul Plane of Higher Vibration, My ‘Death’ is the discarding of the flesh form in order to continue existing in a counterpart etheric form, called Soul, on a Plane of Light or Character. My ‘Death’ is Blessing No. 3 for man on Earth. My ‘Death’ is timely, or untimely, release from this planet Earth, a place of iniquity, Defilement Corruption, Disease, Discord and FEAR. My ‘Death’ is a word that should never have been coined For there is no such thing as man interprets it. I know not ‘Death’ but only Eternal Living into the Everlasting. My ‘Death’ is For the disbelievers of this last statement who fear, with a great horror, this quite natural experience, this inevitable experience, all in the material, Flesh, form must undergo. My ‘Death’ is the opposite of My ‘Birth’. Fear not My ‘Death’, then, for it promises surcease from pain and agony, From necessity to dodge and/or hide from the ‘violent elements‘, and ends doubts about the meaning of ‘Life Everlasting’. My ‘Death’ is not of ME or IN ME, but is reality for those who will have It as something to be avoided like the plague, even at the expense of ‘neighbour’. My ‘Death’ is for those who are ignorant of, or ‘blind’ to, My Divine Truth about Life, MYSELF.

Birth

My ‘Birth’ on Earth is merely Mind donning ‘Garment’ of flesh for a while, short or long. My ‘Birth’ is means to give an individual opportunity to live another life-span in this Low Vibration, in the hopes of ‘cleansing the Temple’ of that which defiled it in the past. My ‘Birth’ is an experience all must go through who are Ignorant of My Being within themselves. No one may incarnate without My Authority, or Approval. My ‘Birth’ gives to parents chance to express Compassion and Divine Love that they may *know* Them. My ‘Birth’ is to give to individual personalities, Minds, opportunity to abide on Earth, this Plane of such Low Vibration, IN THE HUMAN FORM, for a while to strengthen Character, or eliminate from Character that which defiles it. My ‘Birth’ is opposite of My ‘Death’ which is the discarding of the flesh form after it has served its purpose, or is no longer in a fit condition to house the Mind effectively. My ‘Birth’ gives opportunity to face temptations of a physical and mental nature and overcome and, in this manner, develop a Character that is Strong for Goodness. My ‘Birth’ is Reincarnation of an individual Personality and is Blessing No. 2 for man in the flesh body. My ‘Birth’ is answer to Sincere Prayer From a Soul calling out for Mercy from a Contrite ‘heart’ and a conscience full of guilt for errors committed. Reincarnation gives that one opportunity to make amends for such Karmic debts, and yet again may that one fail to pass the strict tests.

Spirit Communion

I AM SPIRIT, THE HOLY SPIRIT AS MAN WOULD HAVE IT, AND THERE IS NO OTHER, My ‘Spirit Communion’ is telepathic, Mind to Mind. I AM MIND. My ‘Communion’ is in the form of the ‘still, small Voice within’ that one may hear speak if the mind is opened wide for such an objective. In the Silence of *your* Mind listen for My Voice to commune with you as I so dearly wish to do. My ‘Communion’ is Blessing No.1 for man on Earth and elsewhere on the Planes of Soul. My ‘Communion’ is also through Inspiration and/or Intuition. My ‘Communion’ is a Thought Flow of words in the Mind, and is Silent. My ‘Communion’ is Healthy, Beneficial and Constructive when found after seeking diligently in My ‘Kingdom’, the Mind. My ‘Communion’ with individual Minds IS not EVIL, or of THE DEVIL as some ignorant ones would have it. Woe, I say, to those who judge others to be ‘evil’ or ‘of the Devil’ for, remember, I AM THERE, and who is little man to judge Me Evil or Devilish? My ‘Communion’ is always Good advice and/or Strong Command for one to obey. My ‘Communion’ is to be sought after assiduously and without delay, for upon Contact with Me in the Silence rests one’s Spiritual Progression, and an end to ‘blindness’. My ‘Communion’ is not for those who seek glory For themselves, is not for the ignorantly arrogant, proud, conceited, fearful or apathetic. My ‘Communion’ is Silent Prayer which becomes a Dialogue. My ‘Communion’ is not for the hostile, the vice-ridden, violent, criminal who do not wish to reform, but is for the sincerely seeking after Divine Truth with an honest, unprejudiced, fearless and open Mind. My ‘Communion’ is not for the fanatically religious types who have a book at their disposal to give them all the satisfaction they believe they need. My ‘Communion’ is not for the ‘deaf’ who are afraid to listen to Me speaking directly, but are content to listen to man who is as ignorant of My Being as the listener. Truly, on Earth the ‘blind’ leads the ‘blind’, and by the nose, too! Because My ‘Communion’ is a Fact anyone may prove today, the ancient scriptures ARE NOT MY ONLY AND FINAL WORD FOR ALL TIME. My ‘Communion’ is not for the Black Magicians who *deliberately* flout my Goodness for Badness sake, and for them is dire Penalty indeed as for no other. My ‘Communion’ is through the Minds of those Authorised to Instruct upon the Planes of Soul, and who in turn, communicate through minds of individuals in the flesh form, such as Clairvoyants and Clairaudients, Visionaries and those who take up the pen to receive My Voice automatically or inspirationally. I ‘Commune’ also through Music, Art and Poetry. My ‘Communion’ is for the dedicated, utterly sincere ones who wish to serve Me, God Almighty,

as I AM sometimes called, under My Direction, Control, Power and Authority in whatever way I choose. There is no greater Blessing for man on Earth, or elsewhere, than to hear My Voice speak in the Silence of the Mind, and yet the Blessing will not be effective until/unless one obeys the commands received from that Inner Source, and heeds earnestly the advice given. I, alone, give Command, Advice and Understanding. If l AM DIVINE, GOOD, then those who hear My Voice and obey My commands emanating from that Source, will produce 'works' that can only BE GOOD, OF BENEFIT TO ONE AND ALL. It cannot be otherwise. It the 'works' produced ARE NOT GOOD, than they are NOT OF ME. I AM not prejudiced or play favourites, yet My Favours are to be *earned*. Be wise in this day and age that you may HEAR ME AND HEAR MY WILL FOR YOU PERSONALLY TO DO. Unless you experiment in the Silence, in all sincerity, you will never know whether what is written here is right or wrong, true or False, good or bad, will you? I AM SPIRIT, MIND, IN AND OF ALL PEOPLE, hence, it is perfectly possible For My 'Communion' to take place between those who have departed to Planes of Higher Vibration and those left behind as it were. TELEPATHIC COMMUNICATION IS A FACT, JUST AS MATERIALISATION, DIRECT VOICE AND APPORTS ARE FACTS FOR ALL TO EXPERIENCE AND KNOW.

Messenger

My 'Messenger' is one who hears My Voice and does My will. My 'Messenger' need not be one of highly developed intellect, but must be obedient, willingly cooperative and give to Me full allegiance. My 'Messenger' is a Chosen One to do as I command in whatever manner I decree. My 'Messenger' need not be an 'Archangel' of Purity but rather a sincere, dedicated and humble one offering oneself for choice. My 'Messenger' will be tested and tried for sincerity and purity of motive. My 'Messenger' is one I trust to receive accurately My Word For transmission elsewhere. My 'Messenger' is one who brings to others that which I request, Facets of Divine Truth, and need not be a knowledgable one. My 'Messenger' must be free of all business, social and domestic ties in order to do My will at a moment's notice. My 'Messenger' is one chosen by Myself and no other, and I 'lift that one up out of the world' mentally so that never again will such a one come under the orders of man, or be harassed by the elements of a violent nature. My 'Messenger' will come under My wing, not to be interfered with, or stooped, by man or beast or other circumstances, and will constantly receive My Guidance, Protection, Provision and Comfort. My 'Messenger' will never be the ORIGINATOR OF THE MESSAGES TO BE REVEALED and, hence, is not to be deemed answerable for what I request shall be broadcast. My 'Messenger' also will not debate or argue with anyone about what is given as a Message from Me, neither will such a one try to justify what I declare through that one, nor apologise for anything said or done BY ME. My 'Messenger' is a Message Bearer only, but that will not prevent him/her learning from Me as others may.

Master/Teacher

My 'Master/Teacher' is ONE who is Highly Evolved Spiritually. My 'Master' is ONE WHO KNOWS FROM EXPERIENCE. My 'Master' is one WHO RECOGNISES UNITY WITH ME. My 'Master' is one who hears My Voice, or whom I may Inspire, to give out Great Teachings of Truth, for the benefit of all. My 'Master' is a Soul who comprehends the Meaning of Life and who has Authority to Teach. My 'Master' is ONE in whom I have great Faith and Trust to do My will without hesitation or question, and who trusts Me not to mislead. My 'Master' gives to Me full allegiance above all other considerations. To My 'Master' I give great Authority and Power to express My will in the manner I direct. My 'Master' is in tune with Me in Mind and will. My 'Master' is always humble, all too willing to sacrifice that which I call for and to such a One I give Blessings pressed down and running over. My 'Master' seeks not glory for self but walks proudly, head up unashamed, glorifying

Me by Doing My will, and will not argue, or deign to reply to those who wish merely to ridicule, judge, condemn or threaten. My 'Master' KNOWS that to 'worship' Me in the only manner of which I Approve, is to Serve His 'Neighbour' with Love in the 'heart', Compassion and pure Motive. My 'Master' hesitates not to demonstrate, practise, what is preached that he may be an EXAMPLE for all others to emulate. I AM IN 'MASTER' AND 'PUPIL' ALIKE BUT ONLY FULLY RECOGNISED BY MASTER. I give to My 'Master' full authority to manifest whatever is required IN MY NAME; to demonstrate My Power Flow Which alone may 'heal', 'comfort' and 'feed' the hungry. My 'Master' will never take My Name in vain, and will not transgress My Principles of Goodness, nor seek reward for services rendered. My 'Master' accepts no credit for self for what is done, or said, under My Direction. My 'Master' is One all are requested to heed, for Authority has been given to that ONE by Me to instruct the unenlightened. My 'Master' is never to be ignored or treated with contempt for, by so doing, I AM treated with contempt or ignored, and this no one may do with impunity.

Baptism

My 'Baptism' is turning from Iniquity to Goodness, from the 'old' to the 'new'. My 'Baptism' is a mental resolution to reform one's ways. My 'Baptism' does not need ritual or ceremony to confirm. My 'Baptism' is very personal and is of the Mind. My 'Baptism' calls for utter Sincerity and Resolution in the 'heart' and mind to reject 'old' ideas based on superstition, beliefs that are questionable, and accept the 'new' based on Knowledge and Reason. Who, without Knowledge, can honestly KNOW the meaning of 'Baptism'? I say, learn about the 'new', applicable to today, so that the 'old' may be discarded forever. My Baptism is not based on faith and trust alone, but also on Understanding and Experience. Until the 'new' is fully appreciated as more advantageous spiritually than the 'old', My 'Baptism' cannot take place in the 'heart' or mind. Think about this because no one may 'Baptise' another IN MY NAME WITHOUT MY EXPRESS PERMISSION, but may only give advice, or indicate a direction for one to walk. One 'Baptises' oneself when one chooses to 'walk a Path of Decency, Honour, Helpfulness and Goodwill towards all others'. My 'Baptism' is complete when Idolatry and wrong Thinking are put aside, and replaced with Doing Good, Being Good and Thinking Correctly.

Humility

My 'Humility' is not servility. My 'Humility' is not Arrogance, Conceit, Selfish Pride, Timidity, Weakness or Ignorance. My 'Humility' is respect for Knowledge, and willingness to share freely with others that which one has gleaned of Divine Truth. My 'Humility' is recognition of a Higher Authority than oneself, spiritually speaking. My 'Humility' does not shout from pulpit or street corner, but is quiet, unassuming yet firm and compassionate towards those lacking Understanding. My 'Humility' is that which is expressed by 'Obedient Servant in whom I AM well pleased', and in whom I place great trust, Power and Authority to do My will as I decree, with the purest of motives. My 'Humility' never argues, controls emotions and appetites, is satisfied with sufficient and is 'Friend' to all without complex of any nature. Such a one I reward magnificently as thoroughly deserving, and I give full permission to that one to Speak and Act in My Name. The obedience and allegiance that I receive from the 'Humble' one, I could not receive from the Proud, Disdainful, Complacent, Deceitful, Selfishly Ambitious, Reward seeker or Idolator. My 'Humility' is a Virtue I would like to see expressed in all directions, quiet thoughtfulness For the welfare of others without blare of trumpet to announce. So, My true 'Humility' is expressed through, and by, Highly Evolved Souls and Masters, who prize highly this Virtue and which is so pleasing in My Sight.

Spirit

I AM SPIRIT. My 'Spirit' is Holy. My 'Spirit' is Light vibrating at the rate of Absolute Purity, which is why It can never be seen, My 'Spirit' is MYSELF, the UNIVERSE and all that in It is. There is NOTHING outside of My 'Spirit'. My 'Holy Spirit' is Force (Omnipotence), Intelligence (Omniscience) and Divine Love, Omnipresent, Nowhere Absent. My 'Holy Spirit' is Three in one, Father/ Mother/Son, which are respectively Force, Intelligence and Love. My 'Spirit' is the Mind activating all things that exist and without which nothing, but nothing, can exist. My 'Spirit' IS NOT AN INDIVIDUAL any more than I AM a Being of some kind of Form. My 'Spirit' is Creative Colour, Light, Harmonious Sound and Life Force. My 'Spirit' is Nowhere Absent, therefore, IS IN AND OF ALL THINGS, to make all things 'Holy'. My 'Spirit' can never be Unconscious, can never he Idle, can never be Destroyed My 'Spirit' is Life Everlasting, IS THE MIND OF ALL THINGS, hence, you, man, are Immortal, Eternal, and should live to express My 'Spirit' in all Its Majesty, Glory, Wonder, Truth and Purity, in your Thoughts, words and Deeds. My 'Spirit' is Reality, Permanent, True and Infinite. My 'Spirit' has no Form but is Light Nowhere Absent.

Spiritual Progression

My 'Spiritual Progression' is expression of Myself, Divine Goodness, with ever lessening defilement. My 'Spiritual Progression' is steady into Eternity, never ending. My 'Spiritual Progression' is reflected in Aura Light surrounding one and all. My 'Spiritual Progression' is gauged according to Brightness or Dimness of this Aura Light, which is affected by Thoughts entertained. My 'Spiritual Progression' is for all people alike because, without such Progression, Destiny could not be fulfilled. My 'Spiritual Progression' will have no end because Spirit Light had no Beginning, and is ever expanding. My 'Spiritual Progression' is made when one Understands Right from wrong, Good from Bad, True from False, and strives to express the Right, Good and True at the expense of the opposites, wrong, Bad and False. As one practices Thinking Correctly, along the Right Lines, faults and weaknesses of Character are steadily eliminated or suppressed. My 'Spiritual Progression' is for those who truly desire Good, Harmony, Peace, Tranquillity, Joy, Happiness and Contentment to manifest in the Mind. Such ones will desire earnestly to 'serve neighbour' with Love Divine in the 'heart' and with pure Motive, enthusiastically. My 'Spiritual Progression' is made by the Seeker after Goodness for Its sake alone, and is NOT for the idler, the work-shy, the apathetic or for those who merely give lip service to Goodness. My 'Spiritual Progression' is not for the bigoted, fanatical, besotted, conceited, religiously dogmatic or for anyone who TAKES MY NAME IN VAIN. My 'Spiritual Progression' must be earned the hard way, for it simply cannot be made as a 'gift' for no effort. By being 'Spiritual', then, one 'serves' neighbour humbly, quietly, sincerely, with the welfare of others in mind and with pure motive and self sacrifice if necessary, not counting the cost one may be called upon to pay.

Aura

My 'Aura' is Light. My 'Aura' is Colour Light surrounding each form of man, beast, plant and earth itself – all things that exist *in form or body*. My 'Aura' is the Spirit within shining outwards to surround one with a Light that activates every cell and atom of one's being. My 'Aura' reflects the Thoughts of man because Thoughts emanate from the Mind which is Light. My 'Aura' bright- ens up by Thoughts of Goodwill nature, and dims by Thoughts of Badwill nature. Character is developed along Lines of Thought that one chooses to entertain and express, hence, My 'Aura' reflects one's Character, as well as one's works. (It was said, 'Let your Light so shine before all men that they might see your Good work...'). My 'Aura' would not shine Brightly if the 'works' were Bad. My 'Aura' cannot be seen with the physical eye but may be observed by those with the 'clairvoyant eye', or if I choose to let It be seen. My 'Aura' is dimmed, or defiled, by Wrong Thinking and so vibrates at a slower rate than

absolute Purity. Thoughts only of Goodwill should he entertained, then, that you cause your Aura light to shine like the noon- day sun.

Soul

My ‘Soul’ is body, form, of things. My ‘Soul’ is the abiding place of Myself, Mind. My ’Soul’ is of etheric substance, much more durable than the Flesh, or material, substance. My ‘Soul’ vibrates at a Higher Rate than the Material forms on Earth, and It is a counterpart of the Flesh, or material, substance. My ‘Soul’ body is one with the flesh form when the latter is conscious. When My ‘Soul’ withdraws from its counterpart flesh form the latter becomes unconscious. My ‘Soul’ can never be damaged in any way as can the fragile flesh counterpart body on Earth, hence, if the flesh form was scarred, mutilated, deformed or diseased these disabilities would not be reflected on the ‘Soul’ form. Between the two bodies, flesh and etheric (the Soul is made of etheric substance remember), is a connecting link known as ‘The Silver Cord’. The Mind of the individual dwells in the Soul Form. When the ‘Soul’ withdraws from the flesh body, the latter becomes unconscious but remains ‘alive’ because the Mind within the ‘Soul’ form is activating the physical body through this ‘Silver Cord’. The Soul body needs no sleep as does the flesh counterpart, which is subject to exhaustion. Whilst the ‘Silver Cord’ is intact ‘Death’ cannot ensue, but when the Cord is severed the Mind can no longer operate to keep the Flesh Form breathing, and so it ceases to breathe and is considered ‘dead’. The flesh form corrupts to return to the elements from which it sprang. My ‘Soul’ Form, however, is still very actively alive, for not for one moment did It lose consciousness. The Soul is not subject to ‘death’ as is the Flesh Form. Parents give Form for incarnating Minds but the Mind, the Activating Spirit, is Myself and always was, thus, will always be. Man cannot give Light, or Spirit to form. My ‘Soul’ is My Temple, the ‘Temple of the Living God’. Defile It not through Wrong Thinking. My ‘Soul’ form is of a faster Rate of Vibration than the flesh counterpart which is why it cannot normally be seen leaving the Flesh form when the ‘sleep state’ ensues. No one, or thing, may ‘die’ but the bodies, or forms, will change. The very young who pass away from the Earth Vibration will live on on the Etheric Planes of Life, and will grow up to prime of life stage of adulthood. The very old, when having undergone that transition, will slowly straighten up and return, also, to the prime of life stage. Cease your mourning, then, for no one can possibly ‘die’ being an integral part of Myself, Spirit, and all on Earth must sooner or later, make that transition to join up once more with loved ones who have gone on before. BE GLAD THAT I HAVE SPOKEN THE TRUTH HERE FOR IT IS TIME THAT ALL SHOULD NAME UP TO THE FACT OF THEIR IMMORTALITY AND REASON FOR LEARNING. ‘Death’ is transition, so ‘transition’ should give incentive for Righteousness.

Destiny, or Goal of Life

My ‘Destiny’, or ‘Goal of Life’, IS EXPRESSION OF MYSELF, ABSOLUTE PURITY, WITHOUT A TRACE OF DEFILEMENT, IN THOUGHT, WORD AND DEED. When one has so perfected Character to be without blemish of any nature, one will have fulfilled ‘Destiny’ for the time being. There is much, much more that lies beyond the initial ‘Perfect Character’ stage of man’s existence, but which is not to be discussed at this stage. I AM within all people as Mind, and I AM Perfection. Tell Me, how can Perfection manifest Itself in this Pure form through a defiled, or impure channel? Can pure water be poured through a rusty pipe and emerge in the original pure state? Surely not, and so if your body, My Temple, has been defiled through Wrong Thinking I, within you as Perfection, Pure Light, simply cannot express Myself in all My Glory, Majesty, Wonder, Truth and Purity. Ignorance is the cause of Wrong Thinking, and Wrong Thinking has caused My Temple to become defiled. To rectify matters then, cleanse my Temple through Right Thinking which will lead to many experiences giving Knowledge of the Correct Nature. Doing that which is Right and Good in

My Sight will eliminate the faults and weaknesses in Character which may be with you at this present time. To achieve this 'Goal' the easy way, hold out the Helping Hand of Friendship and Assistance to those who need it and do so always with a pure motive. Worry not about the Character of others For who are you to dictate to another as to how that one should conduct one's life, when oneself is Far from Perfect? My 'Destiny'" WILL UNFOLD For each one individually even though one may procrastinate For a while, go a little astray if he so desires For he has free will to do so up to a point, but eventually HE MUST 'RETURN HOME TO HIS FIRST ESTATE OF PEACE, HARMONY AND GOODWILL'. My 'Destiny' is not easy to fulfil, or the Goal to reach, but with perseverance, patience and sincerity, one can the more quickly succeed. The longer one procrastinates, though, the more experiences one must undergo which can be so painful to the physical and agonising to the mental. It pays not to delay in your efforts to achieve My 'Goal'.

New Age

My 'New Age' is the Age that follows this present Age of Materiality, the Age of Pisces, the Fish. My 'New Age' is one of Spirituality, and is the Age of Aquarius, the 'Pitcher Bearer'. My 'New Age' is not based on Time for establishment so much as on open minds ready to receive. When one has renounced the Material in Favour of the Spiritual, My 'New Age' will have dawned for that one, and is dawning for many souls in the flesh form on Earth today. If one tries to interfere with the establishment of My 'New Age', one will find all-enveloping Darkness For, perhaps, aeons of time. My 'New Age' dawns every two thousand years or so, and is heralded by by a Master/Teacher sent specifically to make known My Will for the New Age. Jesus of Nazareth was the last Master/Teacher to come to Earth and, because a New Age is scheduled to commence another Master/Teacher may be expected to come and instruct and demonstrate My will as before. I say to you all prepare NOW For the establishment in your own Mind of My 'New Age' wherein there can be no further corruption of any nature. Accept Me in your Mind as Goodness Divine, and then strive to express Me in all your 'works' to the confoundment of the purely Material, and its eventual total elimination. 'Spirituality' gains lodgement in the Mind, so look to the calibre of your Thoughts in future, that they may be expressed as Goodwill and not Badwill. The New Age is One of Light, Spirit, Goodness, Joy, Happiness, Peace and Harmony without that bogey called 'Fear' bedevilling one so often, especially whilst in the flesh form on Earth. My 'New Age' will only dawn for some after the transition called 'Death', but make a start right now to comprehend the Object of Living so that at least there will be a dawning of Understanding of many 'mysteries' conjured up by religious instruction.

Neighbour

My 'Neighbour' is every other person and thing that exists besides oneself. My 'Neighbour' is as much part of Myself as anyone else and, therefore, should be treated with the utmost respect. My 'Neighbour' if less fortunate than oneself, should be assisted and never harmed in any way. My 'Neighbour' is one bound to all other people and things by a Common Bond called Spirit, or Light, or Mind. You were asked to 'Love one another', but are you doing so and, if so, have you made any exceptions to 'another'? There must be no exceptions to My 'Neighbour' on any grounds whatsoever, for I AM NOWHERE ABSENT. As you treat your 'Neighbour' so you will be treated, only with tenfold the force or intensity. Treat your 'Neighbour' as you would have that one, or thing, treat you and you will be Blessed tenfold.

Soul Planes of Life

My 'Soul Planes' are Etheric Planes of Light – My 'Soul Planes' vibrate at various rates, but all vibrate at a faster rate than this Earth Plane of physical, or material. Thus, with the physical eye, those upon the Etheric, or Soul Planes, cannot be seen. My 'Soul Planes' are just

as solid, in fact more so, than this Earth Plane My ‘Soul Planes’ are inhabited by those in the ‘Soul Body’ no different from what they were when upon the Earth Plane. My ‘Soul Planes’ are levels of Light of varying Brightness, indicating standards of Character. When one on Earth discards the flesh body at the time of transition, one finds oneself immediately still active but in a different Influence. This ‘New Level of Consciousness’ will be in accordance with the calibre of Character developed whilst in the flesh form on Earth. Like attracts like, hence, according to the Light of the surrounding Aura, reflecting Character, so be the ‘Light’ of the Plane to which one must gravitate after the transition. Thoughts of Goodwill brighten one’s Aura Light, but thoughts of Badwill will dim that Aura. You do see now the personal responsibility attached to the nature of the ‘Home’ that you make for yourself whilst still on Earth? No one but you may develop your Character and according to your choice so be it. Character development is dependent upon the nature of Thoughts one entertains and expresses in words and deeds, hence, the urge should be towards Right Thinking so that one’s Aura may shine ever more brightly eventually to rival the Brightness of the noonday sun, and prepare for oneself a ‘Home of Magnificence’ upon My ‘Planes of Soul‘. My ‘Soul Planes’ are right here being merely ‘Levels of Light of varying degrees of Brightness and Vibration’, interpenetrating one another including this Earth Plane. There is no such thing as ‘Ascending’ or ‘Descending’ onto, or into, My ‘Soul Planes’, for all Planes are just Light, or Spirit, vibrating at varying rates. It is difficult to make this clear for man on Earth will have it that ‘Heaven’ is up there somewhere, and ‘Hell’ is down there somewhere – quite a misconception. My ‘Soul Planes’ are Planes of Harmony because on each ‘level’ of Light Vibration there will be those of ‘like Character’. On My ‘Soul Planes’ there is no corruption as on Earth, no disease or plague, no necessity to ‘STRIVE TO LIVE’ and no physical pain or ‘death’. There is no need on My ‘Soul Planes’ to FEAR For anything, or to be jealous for one may have whatever one desires. There can be no idleness, either, for all Planes of Light are Active Energy and no one may remain idle for any length of time without becoming bored stiff! So, on My ‘Soul Planes’ of Life, there are PEOPLE existing just as on Earth, and who were at one time on Earth in the Flesh form. There are no such things as ‘disembodied entities’, ‘ghosts’ of smoke-like texture drifting here and there aimlessly. ‘People’ can be seen by eyes of flesh who are in the Soul body, but there is no mystery about this matter. These ones on the Planes of Higher Vibration are drawn to, or held by, this Earth Vibration, and need help from knowledgable ones in the flesh to release their hold on this Material Vibration and begin to live helpfully, on their own Plane of Vibration or Light. Loved ones, who have ‘passed on’ ARE NOT DEAD and CAN COMMUNICATE, telepathically, with those who have been ‘left behind‘ as it were. Fear not ‘Death’, then, but concentrate solidly upon Character Development whilst you may on Earth.

Blasphemy

My ‘Blasphemy’ is ‘Taking My Name in Vain’. My ‘Blasphemy’ is transgression of My Principles given through Moses, and Injunctions laid down through Jesus, the Christ and other Great Masters, For Good and Righteous Living. My ‘Blasphemy’ is saying and doing anything IN MY NAME WITHOUT MY AUTHORITY OR PERMISSION. My ‘Blasphemy’ is deliberate lying to delude for whatever purpose. My ‘Blasphemy’ is Hypocrisy, Dishonesty and Procrastination. Yes, idle your time away, put off doing today till tomorrow, and you ‘Blaspheme’ against Me BECAUSE I AM NEVER IDLE, My ‘Blasphemy’ is not necessarily saying and doing that which contradicts BELIEFS held by others, who perhaps feel that their *Beliefs*, their form of worship, are the only True and Acceptable in My Sight. What arrogance and presumption! Because one may reject orthodox religious doctrines, dogmas and creeds drawn up by man, does *not* mean that one is a Blasphemer in My Book. ‘Judge not...’ and know that I ALONE MAY JUDGE WHO ‘BLASPHEMES’ AND WHO DOES NOT.

Earthbound Souls

My ‘Earthbound Souls’ are those who leave the flesh form, at the time of transition, (death), but still cling to the Earth Vibrations. Although now actually occupying the Soul Counterpart form of Higher, or faster Vibration than the former flesh form, one may still believe oneself to be on the Earth Plane. This demonstrates the great similarity of these Planes and also one’s abysmal ignorance of the meaning of Life and ‘Death’. My ‘Earthbound Souls’ are so for various reasons but mainly because of uncontrolled emotions, jealousy, possessiveness, rage against an individual or organisation. My ‘Earthbound Souls’ include the Ignorant, the Fearful, the Fanatics, those hopelessly addicted to alcohol, or drugs, murderers, sometimes suicides and maniacs. But all ‘Earthbound Souls’ are people, as on Earth, ARE NOT EVIL BUT DO NEED CORRECTION, ENLIGHTENMENT AS TO THEIR WHEREABOUTS. On Earth, through religious organisations, all people SHOULD BE TOLD ABOUT THIS MATTER and, because the subject is taboo, it must be because the priesthood knows nothing about the meaning of ‘Death’? It is indeed My ‘Earthbound Souls’, so very bitter in Mind, who are responsible for ‘obsession’ of those still in the flesh form. The urge to destroy, to imbibe alcohol to excess, to destroy for vengeance sake, to give vent to extreme jealous streaks, to maintain a hold on erstwhile possessions and so on, are STILL IN THE MIND OF THOSE WHO HAVE MADE THE TRANSITION. They ‘obsess’ those in the flush form so that the latter may do for them what they cannot now do for themselves – they get a kind of second hand thrill out of ‘obsession’, but it is something that must be put right through patience, understanding and Compassion of Knowledgable ones. THERE IS NO ‘DEVIL’ NO ONE ‘OF THE DEVIL’, SO CEASE TREATING THESE EARTHBOUND ONES AS SUCH, AS ‘EVIL’ OR ‘DEMONS’, REMEMBERING THAT I AM THERE. My ‘Earthbound Souls’ are often very frightened ones, or most anxious about the welfare of loved ones left behind and/or wish to remain in ‘Familiar’ surroundings and with ‘Familiar’ people, etc. My ‘Earthbound Souls’ should be told quietly, but firmly, that they no longer inhabit a flesh form which may have been scarred, mutilated or deformed in some way. The present form of Etheric Substance now inhabited, will not show up these impediments – point this out to them so that they may examine their body to confirm what you have just said. Explain that they are now upon a Plane of Life just like the Earth Plane, and THAT THERE IS NO DEATH. To prove to them, these ‘Earthbound’, ‘Lost’ ones, toll them to look around and find loved ones they thought had ‘died’ but are still actively alive waiting to be ‘discovered’. Invariably is there a ‘loved one’ standing by at such a time, and this will give convincing evidence that Life is Continuous into Eternity for ALL PEOPLE AND THINGS WITHOUT EXCEPTION.

The Christ

My ‘Christ’ is a word meaning ‘Divine Love’. My ‘Christ’ IS THE ONLY BEGOTTEN SON OF GOD THE FATHER, FORCE, AND GOD THE MOTHER, INTELLIGENCE. My ‘Christ’ is the ‘Anointed One’, an Attribute, or TITLE. My ‘Christ’ is a TITLE that may be earned by *anyone* who willingly expresses Divine Love in all Its Majesty, Glory, Truth and Purity, as did Jesus of Nazareth. My ‘Christ’ IS NOT A MAN. My ‘Christ’ is not a surname to be attached to anyone, as man has attached it to Jesus. My ‘Christ’ dwells in the ‘heart’ of things as Love Divine, Compassion and Understanding. My ‘Christ’ is most often ignored and/or suppressed so that the baser instincts of man may come to the fore without interference. JESUS EARNED THE RIGHT TO THE TITLE, ‘THE CHRIST’ WHICH MAN GAVE TO HIM AND ACCEPTED BY MYSELF. Because man has seen fit to turn the TITLE into a surname, Divine Love has lost its full meaning for religious man. My ‘Christ’ is Purity, Goodness, Helpfulness, Authority, Power and IS KING IN MY KINGDOM, YOUR MIND. Only when My ‘Christ’, Divine Love, is used IN UNISON WITH FORCE AND INTELLIGENCE, will the ‘works’ be GOOD, CONSTRUCTIVE AND BENEFICIAL. Man

uses Power and Intelligence sometimes to produce ‘works of destruction’, such as atom bombs and other ‘engines of war’, and this is because the Son, Divine Love, was suppressed or deliberately bypassed. Thus did man ‘Dishonour his Father (Force) and his Mother (Intelligence)’, and has shortened his days upon Earth. Is it impossible for little you to become *a Christ*? Not if you can believe what Jesus declared, ‘What I can do you also can do...’ Let the ‘Christ’ within you, then, be your Handmaiden, to help you express Goodness in all your ways, develop your Character along the Right Lines of Thought as Jesus did and implored all others to do likewise. It is My ‘Christ’ and DIVINE LOVE AND TRUTH AND LIGHT, that is ‘to COME AGAIN’, and It will come ‘as a thief in the night’, unexpectedly to the unenlightened, and also ‘As a Light that Shines From East to West’. My ‘Christ’ will NOT COME AGAIN AS A MAN IN THE FLESH, For such a One would he rejected outright as before, or accused of being ‘of the devil’, ‘False Christ’ and so on. If, indeed Jesus as a man, did appear again in the flesh form, as religious ones so piously hope, what would he look like to you? If he did not add up to your mental image, would you accept him as THE CHRIST? It so that you did accept him, and he censured you regarding your form of worship of Myself, would you accept him as ‘Lord and Master come again’? My ‘Christ’ is already on Earth, never having left it, and is to be seen in the Colours of Nature all around, in the pleasing warmth of the sun, in the harmonious sounds, the gentle breezes and in the welfare that many individuals happily extend to those less fortunate than themselves. Appreciate fully these things and believe wholeheartedly that within you IS THE CHRIST, AS LOVE JUST ACHING TO BE EXPRESSED IN KINDLINESS, GENEROSITY, TRUE CHARITY, FORGIVENESS, BLESSING, MERCY AND HUMILITY.

Saviour

My ‘Saviour’ is yourself who, in essence is Myself. You and I are one UNIT, but as yet you are unaware of this FACT. My ‘Saviour’ is individual effort of a mental and physical nature, to eliminate from personal Character that which is faulty or weak. My ‘Saviour’ is attempt to do that which is Right, Good and True in My Sight. My ‘Saviour’ is abiding by My Principles for Good Behaviour one towards another, as demonstrated by Jesus of Nazareth, the Great Master Example of long ago. My ‘Saviour’ IS NOT AN INDIVIDUAL COME TO WAVE A WAND TO MAKE ALL THINGS RIGHT THAT ARE AT PRESENT WRONG. (What man on Earth is to determine accurately what is ‘Right’ and what is ‘Wrong’?) That is a misconception fostered by the priesthood and handed to laymen AS FACT, WITHOUT MY CONFIRMATION. I AM NOT CONSULTED BY THE PRIESTHOOD WHICH IS WHY I AM UNKNOWN TO IT, MUCH TO ITS SHAME AND DISGRACE, AND FOR WHICH THERE WILL BE SORE MENTAL AGONY TO BE ENDURED WHEN THE DIVINE TRUTH IS MADE CLEAR. A guilty conscience of having misled others hopelessly, albeit unwittingly, is something that can be agonising in intensity. My ‘Saviour’ is quiet, strong resolution to DO GOOD AND TO BE GOOD, to the best of one’s ability. Never be content with your own ‘ability’ because there will be no end to improvement. Depend more upon yourself in future to ‘save’, and not look to someone else to do the job for you, for no one else but you may be held responsible for the errors that you commit. Never feel smug or complacent about your Knowledge of Myself, for I AM EVER EXPANDING AS IS MY UNIVERSE. As there is no end to Divine Truth, there can be no end to learning. Use your Mind to Good Purpose and you will, in time, enjoy the fruits of Victory over your baser, material, self. Through Right Thinking and consequent Doing, in line with My Goodness, your Character will shine to prepare for yourself a ‘Home’ in Spirit that is magnificent Brilliant Light in accordance with the Light of your Aura. So, look to ‘save’ yourself from your own baser instincts that THE CHRIST within you may have Its say and prove Itself to be your ‘Saviour’, and no other.

Call to Action

Call to Keeping an Open Mind

That is enough. If anyone is looking for contradictions in this statement, or disagrees with what is stated, no doubt they will find cause, but I would suggest that each one who reads does so with the open Mind, unprejudiced and with emotions firmly under control, to accept or reject as one wills. We shall not argue or censure one for holding an adverse opinion, and neither shall we bless those who accept what we have stated. No one must expect Blessing merely because of acceptance of the Divine Truth, but only when earned BY THINKING AND DOING THAT WHICH IS RIGHT IN MY SIGHT. What one can accept, please put into practice in daily living.

Just know that as I have stated so it is, or will be, and I shall not engage in debate with man who, by his very actions today, is demonstrating his abysmal ignorance of My Truths, suppressing strongly Divine Love and ignoring the Principles and Injunctions given to him in the past as 'guidelines' to Spiritual Progression. The bookshelves of stores throughout your world today, are crammed full of inspired literature, given by Knowledgable Ones on the Planes of Soul through open Minds of ones in the flesh and so I declare emphatically to one and all that there can be no real excuse for Ignorance regarding these Spiritual matters.

I would have you think about these Definitions, add to them if you so choose, but THINK ABOUT THEM FOR THERE IS MUCH INSTRUCTION OF A GOOD AND USEFUL NATURE TO BE FOUND THEREIN, Think for yourself and be not satisfied that others should do your thinking for you, and, in this way, you become more Understanding and Independent of man and rely solely, instead, on Me. I sincerely welcome those who have the gift of oratory, or prose, to give better form, perhaps, to explanations of the Words and Phrases used here, and which are used so often to confuse unenlightened minds.

Contacting the Inner Presence

Because My 'Kingdom of Heaven' is to be Found with- in as the Mind activating every cell and atom of one's being, and I AM THEREIN, I would that people find a quiet place where one may relax for a while, be at peace in body and mind, entertaining no troublesome thoughts to disturb. Have pen and paper handy. Pray. Prayer should always be silent, mental, Because I AM SILENT, of the Mind and I AM Thought Substance. Think your prayer and whilst you are giving out such thoughts, 'listen' to them flowing *inside*. You are dumb on the 'outside' as it were, but you may 'hear' words flowing through your mind when you repeat something to yourself, can't you? It is this Thought Flow of words that is known as the 'still, small Voice within'. If you do not deliberately put words into your Mind, as when you read something to yourself, and words flow smoothly therein, know that some other agency must be responsible. In your prayer, given in the relaxed state, thank Me for all blessings received (there is no need to itemise them for I AM not a moron, and can understand), ask sincerely for assistance in receiving this 'Thought Flow of words' and also protection from all forms of harm. Having prayed in this wise, do have faith in it, believe that what you have so sincerely requested will be granted, and then take up the pen, put it on the paper as though you are going to write Just leave matters like that, relaxed and fully conscious in the daylight or lamplight. 'Wait patiently upon the Lord', us it is said. Sit like this for about twenty minutes each day and at the same time if it is possible. If you are sincere in your 'sitting for contact', and you persevere regularly with this exercise, the time will come when your hand will begin to move of ITS OWN ACCORD. You will have proved, then, that THERE IS INDEED A POWER FLOW ACTIVATING YOUR HAND, AND THAT IT COMES FROM WITHIN YOURSELF. Whilst waiting for this automatic movement to take place, keep the Mind filled with thoughts of Beauty, of Peace and Harmony, of that which is Good in your sight, or practice 'listening' intently for a Flow of Words to come to you without your volition. You

'listen' as on a telephone. Coming back to the hand – let the hand holding the pen wander as it wills without interference, and take a keen interest in the lines left by the moving pen. These marks may just be scribble marks, or elementary drawings, to begin with but eventually that pen will write letters and words that will make sense to you, inducing an Intelligence behind the Power Flow.

In time, as you persevere in patience AND UTMOST SINCERITY, a name will be given without your asking. Ask that one, then, a few questions. Ask firstly, if that one is your own Personal Guide, or Teacher? If the answer is 'No', then ask that one to give whatever message there may be, and then stand aside, please, because you wish for your Personal Guide to come through first and foremost. Put the pen down for a while, and then pick it up to try again. When the answer is 'Yes' to that question, ask the second question, 'In whose Name do you come'? The answer to that question must satisfy you that one comes in the Name of Myself, of the Christ, of Jesus or Jehovah, or some such Name that is acceptable to you as Spirit Authority. The Control cannot mislead you on this one because you have, in your prayer, asked for protection from all forms of harm, which must include Falsehood. So, when that answer satisfies you, ask the final question. 'Have you a Higher Authority to contact yourself'? If that answer is 'No', then ask that one to make that vital contact with a Higher Authority before proceeding further. Leave off this exercise for a week or so, and then continue. If the answer is 'Yes', then thank that one for being with you and allow him/her to dictate your pace from there on.

That automatic way of contact will soon develop until the hand holding the pen is travelling very swiftly indeed across the paper and you will notice that you are 'hearing', or 'receiving', the words as they are being written. Later, you will know that you are 'hearing' these words BEFORE writing them down. That is when you will realise someone is dictating something to you to record. You have succeeded in making contact with a 'still, small Voice within', and the pen can now be done away with. Listen to that Inner Voice now for from it shall pour the 'Wisdom of the Ages' for you, and perhaps for others as well. It was from that Inner voice that ancient Prophesy and Divine Truths emanated, and NOWHERE ELSE.

Contact with this Inner Presence becomes a Real Joy and an Excitement builds up that can never be described. Through that Contact, or Control, I speak to make My will known for all to do, and if I so desire, I shall take Control Myself as in the case of Jesus of Nazareth, John the Baptist, Elijah, Moses and a host of others of biblical times. Obviously you will be condemned by those who believe in the 'devil entity' obsessing, but their condemnation will rest on ancient wording of scripture, written up by man, hence not infallible. Worry not about criticism, threat or curse, but carry on quietly, listening regularly each day to the instruction flowing from that Inner Presence, and rejoice in the fact that you have a Friend that will never desert you, on Whom you may rely implicitly not to mislead you, unless to test, provided you are prepared to cooperate with that One and not argue over every single point raised. Unless you experiment you can never know, can you? Knowledge is better than belief every time, so go for Knowledge which comes from Experience. Man has been wrong so often in his *Belief* that it is no longer to be trusted, and when man 'believes' this or that to be wrong or undesirable, especially where interpretation of My Word is concerned, that you may safely ignore all warnings of dire consequences if you fail to pay heed to such warnings. 'Walk' always and never 'run' when about My Affairs – Spiritual matters. Know that you will constantly be tested for endurance, obedience, allegiance, faith and sincerity in your professed willingness to cooperate: Your Control Guide or Comforter will not take your Free Will away from you, but expects you to use It for Good, Constructive and Progressive Purposes

You have to learn and the Guide is there to instruct, has Authority to take you out of any situation, or to put you into any situation, he/she desires. Let that Inner Voice, then, guide your footsteps into Eternity as It will if you are agreeable. Your Guides may change from time to time but, when they do, it will most likely be because you warrant a Guide of Higher Authority, that you may be used for ever more wonderful, greater, works. You may be called upon to sacrifice, especially that little time each day – well, sacrifice willingly what- ever it may be you are asked to give up or give away. Why shouldn't you when the rewards for such obedience can be so incredibly wonderful?

Hearing My Union in the Silence of your own Mind is KNOWING ME, AND WHEN YOU ARE ABLE TO HEAR ME SPEAK I CAN GIVE TO YOU INSTRUCTION. There is no greater vocation in all the Universe than to DO MY WILL AS I DECREE. Trust Me, have Faith in Me, Depend upon Me but, at the same time, increase your own Understanding OF ME. Learn your lessons, use your own Powers of Reason and Imagination to perform Useful works IN MY NAME – GOODNESS ABSOLUTE. To those who trust Me, and are willing to do My Will above all other considerations, accept Me AS THE SUPREME AUTHORITY, I shall assign a Great Task to perform. To such ones willing to undertake the assigned task, I shall give My Blessings Freely and gladly of Protection, Provision, Guidance and Comfort. Is this not worthwhile the effort called for to attain? The answer will be 'No' from the timid, the religious fanatic, the prejudiced, the apathetic, the arrogantly proud, conceited, bigoted, superstitious, purely materialistic and Ignorant. To the meek, quietly sincere seekers, the answer will be 'Yes, a thousand times, yes'.

Do I make Myself abundantly clear? Into which category do you fall? You must make up your mind quickly because time for man to remain upon this Earth Planet is shorter than he imagines. Do not ever believe that, by taking My Advice re taking up the pen to make contact with the 'still, small Voice within', you are doing Me a favour. You can only do yourself a favour, so go to it with My Blessing.

The Future of Man and the Planet

The elements of Fire, Earth, Water and Air are rising slowly but steadily in their fury against man, but will not reach their climax until My Hand of Providence is withdrawn From Its Overshadowing Presence. The 'end times' are unfolding ever more rapidly and it is becoming abundantly clear now that no man on Earth, no organisation, can prevent an eventual holocaust taking place. Man has reached an all time low point of savagery, beastliness, degradation, immorality and irresponsibility that must inevitably make this planet a most unhealthy place on which to abide. Inflation is to cause the breakup of man-made organisations of all kinds dependent upon money, so a financial and economic depression will build up to a point more desperate than ever known on Earth. This will cause unemployment on a vast and hideous scale and will create shortages of Food, clothing, shelter and medical supplies to aggravate ever more the present desperate position. The population explosion will continue to rise irresponsibly to make the above shortages ever more serious. There will be rumblings of discontent in all nations, building up to threaten the lives of the ruling classes and the complete breakdown of law and order. This will not stop the increasing demand for the basics for good, healthy living, but the supply is to fall to an incredibly low point that cannot possibly meet the demand. Starvation and privation, famine, will ensue as never before and, on the heels of famine will stalk plague. Due to the medical supply shortage such plagues will rage unchecked through certain countries to take a fearful toll of all forms of Life. Internal troubles will be such that no one nation will have the time or inclination to wage mar against a 'neighbour'. In this manner shall a major conflict be avoided for the time being. There is to be a cold so very intense, and a heat as never before experienced to aggravate the situation caused by fires of all kinds raging out of control, high winds and floods of terrible

ferocity, earthquakes of great destruction, rising seas to change the outlines of continents and droughts to sear the lands.

Woe to man, I say, for he will run, try to hide, but all to no avail. I HAVE SPOKEN THE TRUTH AND THE WISE WILL DELAY NO LONGER BUT, IN VIEW OF THE FOREGOING, WILL REMAIN CALM, ADJUST THEIR THINKING TO DOING THAT WHICH IS RIGHT, GOOD AND TRUE, HOLDING TO HIGH PRINCIPLES OF DECENCY, HONESTY AND ALL ELSE THAT IS SPIRITUAL AND UPLIFTING IN MY SIGHT. THE FOOLISH WILL KNOW NOT WHAT TO DO.

The suicide rate is to increase sharply as alcohol and drug abuse take hold more firmly on the minds of the desperate, lonely and helpless. Immorality has scarcely begun to raise its ugly head, but when it does the decent and clean minded will be sickened. Earthbound souls will increase in numbers as terrified people run from man and element gone wild, resort to terror tactics themselves only to find 'Death', bitterness, worry and sickness to harass the mind. Disease is to escalate in all countries of the world to unmanageable proportions. Am I exaggerating the times to come? Am I nothing but a pessimist and 'Prophet of Doom'? Let us hope that you will not be present when the 'storm' breaks, BUT ALL THE SIGNS ARE THERE FOR THE THINKING ONES TO OBSERVE.

Many will become angry because I foretell today these bitter times ahead for man on Earth, and this will be because they will not *want* to believe such things can occur, and I would reply to their outbursts, 'Was not all this that has taken place in the past and unfolding now, recorded in very ancient prophecy?' It surely was and, it you live aright, think aright, what need for concern about destructive prophesy? Concentrate on the present doing your utmost to eliminate the faults in your Character, and bother not so much about the faults in your 'neighbour's' Character.

There is to be a forward surge of the 'religious' ones to their churches and priests in these days ahead, to implore their 'God' to be merciful and stop man's headlong rush towards the edge of the precipice that leads to destruction. Their 'God' shall not hear their pitiful cries because their 'God' has been, still is, but an 'Image' in the Mind symbolised by stone, metal or wooden graven images and effigies before which they bow down idolatrously, as do the primitives, in worship. A *book* of ancient writings is 'worshipped' before Me, the LIVING GOD OF THE 'STILL, SMALL VOICE WITHIN'. Such 'Gods' as images and books never did have any Force to wield, and never will, FOR I AM ALMIGHTY GOD OF THE UNIVERSE, AND I AM NOT AN IDOL TO BE WORSHIPPED ANY LONGER THROUGH RITUALS AND CEREMONIES. I answer SINCERE PRAYER FROM THE 'HEART' NOT FROM A BOOK FOR THAT IS MERELY MOUTHING WORDS OTHERS HAVE THOUGHT UP. No Faith or trust can ever be strong in a 'God' of stone, nor in rituals and ceremonies, spectacular as they may be, designed to 'praise, please, bribe, appease and/or flatter' that 'God'. Thus, when the going gets tough and people receive no answer to their cries for help from their 'God', they will have, perforce, to go through the 'Mills that grind so fine' – harsh experience, that could teach so many invaluable lessons.

To those who know Me, through 'hearing' My Voice speak, or are prepared to do My Will even though, perhaps received indirectly through others in touch with the Inner Presence, shall be granted My Protection in these troublesome times and, at the appropriate moment, I shall literally take them out of this Vibration of Unhealthiness and Instability and Violence. Man has transformed this once beautiful, though fragile and unstable, world into something hideous, Dark with Fear for millions of souls, a Cesspool of Corruption and Disease, a hiss and by-word amongst other planets and Planes of Life. Ignore not the UFO's as you call these

space craft, and their inhabitants. In time they shall make themselves known in no uncertain manner because they come in Peace to give to man on Earth a Golden Message of Hope, Goodwill and warning as to the Consequences of wrong use being made of that frightful nuclear power recently discovered, and used immediately, quite irresponsibly, for destructive purposes.

The pollution of air, earth and water is increasing daily, and it will not be long now before such pollution reaches the stage when Life forms can no longer survive. This planet is destined to become as lifeless as the moon and man will largely be to blame in hastening this dying planet into its grave. The sun's rays are even now coming through this poisoned atmosphere as not designed, hence the unpredictable weather conditions prevailing and the change in the seasons. Man is so greedy for monetary wealth that he is despoiling the earth of its oil and coal deposits to an alarming extent as to cause an imbalance on axis, and this, in turn, will affect climate and season ever more noticeably as year passes year. Be warned and set yourselves to right, using 'NO DEATH' as incentive for righteousness and banishment of the Fear of that inevitable experience.

The Knowledge of continued living into Eternity, and its complete acceptance in the Mind, should give relief to the frightened, mournful, and heartfelt thanks to the grief-stricken who, in the past, believed in 'Death' as the end to living.

From experience shall the Mind of man come to accept Me and My Works as something to treat with the utmost respect, and cease misusing himself through wrong Thinking, Idolatry and crass Stupidity. Your planet Earth is to see great Changes in all directions, but never more so than in the Mind of men everywhere. Changes are inevitable and should be welcomed because with Change comes Progression. If there is no Change, if one stands still, how may one advance? One may retrogress, yes, but let us not consider retrogression but concentrate, instead, on Spiritual Advancement through Right Thinking and Right Doing.

The shifting of populations is to become chronic, calling upon the world charities to such an alarming extent that they will soon run dry. It is then that the full horror of world situations will become plain. When man realises that he can no longer feed the starving, the famine stricken, cannot prevent the spread of plague, cannot cope with the insect hordes, cannot find clean, drinkable water, cannot prevent his 'neighbour' from launching attack after attack against his so-called 'enemies' to the detriment of friend and foe alike – truly will he seek 'Death' as a way out of this hopeless situation, and he may not Find it!

My 'Death' is for all in the flesh form on Earth, of course, but the 'Relief' that My 'Death' will bring will be for those who truly desired peace on Earth, worked sincerely for it and tried to Do Good and to Be Good. The 'violent' ones, who batten on the non-violent, shall succeed in their aims to dominate all others but, having attained their hideous victory, and not being able to change their spots, will turn upon themselves to spell the end of humanity upon Earth. Man shall know the full horror of that nuclear power he is so frantically exploiting for Wrong Purposes. When these 'violent' ones pass over as it were, seek 'Death' to avoid the elemental upheavals as never before known on Earth, their sheer ignorance of the meaning of that experience 'Death' shall prevent them from finding the refuge, the peace of mind, they seek so avidly. They shall not know that they have gone through the 'Death' experience, even though they may successfully commit suicide, for conditions on the Planes of Soul are very similar to those pertaining on Earth. Believing that they have not succeeded in 'dying' they will continue to 'run', to 'hide', to be in such mental agony of abject Fear, that they shall know no rest for aeons of time.

For some cruel characters, who have no redeeming features, a Darkness will envelope that will deny them chance of 'rescue' for an Age, whereas Earthbound Souls shall at least be granted that opportunity of being instructed about Divine Truth. Man has gone beyond the point of no return so that there will be no improvement IN ANY DIRECTION OF MAN'S ENDEAVOURS, so let this be pondered over by the super-optimists. THERE IS NO DEATH, HENCE, THERE CAN BE NO TRAGEDY IN REALITY. Harsh, bitter painful and heart rending experiences there certainly are, but there can be no cessation to living, hence, worry not so much about worldly affairs which must now deteriorate at an ever increasing pace. Concentrate on doing that which you believe to be Right and Good and Beneficial towards others, remembering always that I AM IN ALL PEOPLE WITHOUT EXCEPTION. Do you not wonder, sometimes, why I do not answer prayers for your 'victory' over your 'enemies', or why I do not 'step in' as it were when the violent threaten to overwhelm the non-violent? Do you not believe that I AM OMNIPRESENT and, that IN MY BOOK no one soul, or individual is better or worse than another? Pray for your so-called 'enemies' that their Minds may be enlightened, and their heart softened towards their 'neighbour', and towards Goodness Divine, Peace and Harmony.

Proof of the Spirit

Because the word of man has lost its power to convince, it is necessary to give to him proof positive that it is truly Me that speaks and controls through the Minds of individuals. Proof, or evidence, in the form of Spirit phenomena, shall be given to all people to witness so that, in future, no one shall again stand up in all honesty and declare that one did not know or have a chance. By giving concrete, tangible, evidence to satisfy the most exacting scientist, that what is said by Spirit here, and in other works of a genuinely inspired nature, is true and to be heeded earnestly, it is most sincerely hoped that people will change in their hostile attitude towards one another, and Life in general. The phenomena that shall be given will not please everybody, will frighten some who are superstitious and ignorant of Divine Truth and will be rejected outright by the obstinately religious who do not wish to change the nature of their 'God', and their forms of worship.

However, some of the Demonstrations to occur will be devastating as well, and this is because, unless it is so, no notice will be taken at all by the hard-hearted and supercilious, arrogant and conceited. It is to reach all echelons of society that the coming Evidence is designed, so look Forward to this wonderful period in man's history on Earth, a time of magnificent opportunity to Do GOOD, and to eliminate weaknesses in personal Character. Seek not to reach the 'Top' before others for, remember, 'The first shall be last, and the last shall be first'. When all people are standing together upon the topmost rung of the Spiritual Ladder the 'gates of Heaven' will open wide as it were, and all will go through together, rejoicing. Just try to understand that you are Me, in proportion of course, and that what you can imagine, envision, you can 'create'. I, ALMIGHTY GOD, CANNOT 'CREATE' ANYTHING BECAUSE I AM ALL THAT IS but you, as man, can visualise something then, using the material to hand, bring into being that which you imagined. But the things that you 'create' ARE NOT PART OF YOU. If I was therefore, a 'Creator', the things that exist, including you, would not be part of Myself. KNOW YOU ARE BECAUSE I AM, and then try hard to EXPRESS ME, PERFECTION, ALL GOOD, in all your ways, and all will be well. Although you may not succeed to any appreciable extent whilst in the flesh form, do know that on the Planes of Soul hereafter there is ample opportunity to do that which you may have failed to accomplish on Earth. There is no end to learning and to Spiritual Progression.

Spiritual Progression

There is no Time in Eternity, hence, go slowly but steadily towards the 'Goal', and worry not about Spiritual Progression even though It is there to be made. Progression will take care of Itself as you follow out My Commands, or sincerely heed My Advice, and try not to transgress deliberately Principles of Good Behaviour. Constantly remember the existence of the Universal Law of Cause and Effect, for It operates inexorably to bring Blessings to these who freely and willingly do My Will, and sharp rebuke to these who deliberately transgress. I will hold no brief for the self-pitying, or for these who 'fall' and do not try to 'get up' to start again. I will hold no brief for these who are chastised by the Law for Wrong Doing and who obstinately refuse to learn, to change, to bend the stiff knee, or bow the proud neck in subservience to My Goodness. To such ones increasingly harsh penalties will build we until they are forced to cry out for mercy. A Light will shine Forth from them then, a Light of Sincerity, and I shall come with My Teachers and Helpers, to give Glad Assistance. A Rope of Hope shall be thrown to them TO USE TO EXTRICATE THEMSELVES FROM OUT OF THE MORASS OF HOPELESSNESS of THEIR OWN MAKING. Note, no one may ever CARRY another up this Ladder of Spirituality, and so do not bank on it!

I would that people would threw away all 'labels' which are limiting factors, and sometimes so very hard to live up to in all honesty. When you are 'free of labels' you become, mentally, a Member of the Universe, free to come and go, and not merely a pawn in some organisation of man's making, or a 'national' of any country. Serve Me humbly by serving your 'neighbour' with Love Divine in the 'heart', and you will never regret a single second of the time given to this exercise, or to the sacrifices you may be called upon to make.

Know that because you are IN ME AND I IN YOU, you will not frustrate expressing Me in ALL GOODNESS for all time, but that sooner or later MUST YOU DO SO. You have free will up to a point to procrastinate, remove Ignorance from your Mind, refuse to bow to MY WISHES AND PRINCIPLES if you so choose, but you also have free will to resolve right new to 'Baptise' yourself, to throw over the 'old' and adopt the 'new' by following My Instructions with joy and enthusiasm. Do not leave off expressing Me as Goodness Divine until My Law forces you to your knees, for that would not be wise of you.

Prepare for Earth's End

Man has seen fit to carve up this planet Earth into slices, and apportion pieces to the various nations, segregating one from another, WITHOUT MY AUTHORITY OR PERMISSION, and now man is witnessing THE BIG STEAL. There are those few at the head of certain nations and tribes who are intent on taking from ether nations and tribes whatever they Will, and will do so the hard and cruel way if opposed. The 'gun' has become a threatening instrument to force Will upon reluctant will, and there is no command in any scripture that gives anyone the right to do so WITH IMPUNITY. I, alone, CAN GIVE AUTHORITY TO MAN TO DO THIS OR THAT, BUT NO ONE MUST ASSUME THAT AUTHORITY. It would, then, be Good, Right and Sensible of you as an individual, to reconcile yourself to the fact that YOU OWN NOTHING OF THE MATERIAL, BUT ONLY YOUR CHARACTER. When you discard the flesh form at the time of 'Death' you will take with you only your Character, so free your mind now of worldly possessions so that you may depart with a light feeling of having left nothing behind to regret. Mentally give to Me all that you have, including your own physical life and, if I do not choose to protect My Own, then you should not be concerned. Little you, are of vital importance to Me because without you I should not be completely whole.

Because unstoppable deterioration has set in in the world, your time as man on Earth is very limited, yet sufficient enough for you to resolve seeking Me out in the Silence of your Mind, or eliminate these impediments in your Character frustrating Spiritual Progress, such as jealousy, greed, selfishness, spite, hatred, ridicule, criticism, condemnation of others, vengefulness and complexes of superiority or inferiority – anything that you would not like to be stuck with when you leave for a Plane of Soul. Pack your bag *now*, for you never know when you will be called upon to travel, with the Good Things, Things like Joy and Happiness, Peace and Contentment, Willingness to serve others who are less fortunate than yourself and so on.

If all the Earth world was at Peace and Goodwill flowed everywhere without a note of Discord, the Earth's purpose would have been served, and could safely be discarded as of no further use. Your flesh form is discarded when it has served its purpose, or is of no further use, and a jolly good thing too! On the Planes of Soul there is a Life awaiting you that your Finite Mind at present cannot conceive of as a possibility because your Mind cannot imagine no corruption, no disease, no violence of a physical nature, no greed or selfishness, no further *striving* to live, to eat or sleep. You have lowered yourselves to this deplorable level of Character through your wilfulness, disobedience and obstinacy, and now serve the time remaining to you in trying to learn at least some Facets of Divine Truth, appreciate all that is said here as something to help you in your studies and practices, to preclude your having to reincarnate. Having once tasted the Peace and Harmony that pertains on the Planes of Soul, no one really wishes to reincarnate out must do so if the lessons of the Material are unlearned.

I Am the Light

WITHOUT ME AS LIGHT, THERE CAN ONLY BE STYGIAN DARKNESS. Let Me, then, as your 'spirit within' Light up your whole self so that No Darkness may be. Farewell and may all the Blessings of Goodness be yours for all time, and may you rejoice in your learning of My Presence within to contact and make prayer a dialogue in Future.

Comments on Editing Changes made to the Original Text

1. Capitalisation within the original text was kept.
2. Capitalisation of headings of terms in the Definitions was changed to capitalised first letters of major words only
3. Text was reformatted from a monospaced typed seriffed text to the proportionally spaced Times New Roman digitised font
4. The Text was obtained by scanning the original document and using Optical Character Recognition using 'Free OCR' software, and multiple corrections to match the original text were applied manually. This may leave some errors of oversight, such as U's for O's, e's for o's , do for be etc. Multiple spell-check iterations were used to minimise such errors.
5. Underlining in the original text to emphasise words has been replaced with italicised text. All emphasis is that of the original text. Capitalised text was not italicised when underlined in the original text
6. Section headings were added, as were subheadings in the 'Call to Action' section, a form of afterword
7. A Table of Contents and an Alphabetical Index were added.

History of the document

The original document was first printed in 1978, after the Club of Rome report on the Limits of Growth. It however preceded most discussions on Climate Change and increased seismic threats to occupied regions of Earth. Wars and insurgencies are now the order of the day!

I find the World View within which this document is formulated to be from an Idealist perspective, assuming consciousness preceding matter (rather than the materialist view which holds that consciousness arises or emerges from matter). The Idealist view is at the basis of all religions and also magic. It also conforms to the Qabalah, Judaic mysticism.

The message that one should seek to obtain direct conscious awareness of the highest consciousness, God, is central, together with a level of urgency expressed for this. While realising that all is one with God, and that (as is biblically stated) we Live within the very consciousness of God, even though we feel matter in our consensual experience of 'reality', the challenge and admonition is that we seek direct experience of an Idealist, higher, reality.

As this message is similar to that of most esoteric writings that I have encountered I thought that this booklet should not be lost, but should be preserved for reading by those who find it.

As a key expectation expressed within the text is that this message should be freely distributed, no copyright can be claimed on any formatting that I have done, nor has any been claimed by the original recorder of the text, Mr Arthur Garside, whom I met in my youth, when I had no interest in this kind of discussion.

I hope that those guided to this text find inspiration and guidance in it, and are ready to undertake the mission described, after ensuring full psychic protection steps are in place, with prayer for inner guidance and protection, and truth to be discovered. I give no claims that any psychic or mystical investigation is without risk. All risk is with the reader who acts on the content. Research other philosophies and ensure you are properly prepared.
